Last year the Legion Department of Oregon ...

- **Distributed $27,442 in emergency aid.**
- **Provided honors for 490 veterans' funerals.**

Label Position Only!

Congratulations, Dana [redacted]

As an honored Oregon veteran who has served our country with distinction during wartime, you have been a valued member in The American Legion.

However, our records indicate that your membership is currently expired.

PUT YOUR BRANCH OF SERVICE STICKER ON YOUR REACTIVATION CERTIFICATE TO RECEIVE YOUR SPECIAL WELCOME GIFT.

Dear Dana [redacted]

I am truly glad I located you. You are currently not receiving American Legion benefits you are qualified to receive as a U.S. wartime veteran. To immediately reactivate these benefits, simply return your Reactivation Certificate.

As chartered by Congress, membership in The American Legion is a singular honor reserved only for those who served our nation during wartime.

To reward you for your honorable service, The American Legion provided you with a full complement of benefits, multiple discounts on goods and services, and protection for you and your family.

You and your family were able to enjoy:

- REDUCED rates at car rental agencies, moving companies and thousands of hotels and motels.
- SAVINGS on eyewear for you and your family.
- DISCOUNTS on prescriptions through The American Legion drug plan. Plus ...

Access to a fully accredited Legion Veterans Service Officer to help you obtain your full VA medical, educational, and insurance benefits ... prepare your Vet claims and cut through all the red tape ... and get you accurate information on financial services.

As you know, The American Legion also helps veterans seeking career assistance through a network of partnerships. In these troubled times, this service alone is worth the small price of membership.

Additionally, The American Legion represents you and your family in Washington to make sure your interests are protected. When the present administration tried to take away certain healthcare benefits, the Legion was instrumental in derailing this proposal.

In fact, when you tally up everything you get as a Legion member, you'll find that

(over, please)

THE AMERICAN LEGION • BENEFITS DEPARTMENT • P.O. BOX 7017 • INDIANAPOLIS, INDIANA 46207-7017

advantage of just a few of the many benefits will pay you back your yearly dues many times over!

Yes, you can certainly profit from Legion membership. But you will also help your fellow veterans, their widows, and orphans overcome hardship.

And your membership will also help your community by supporting everything from blood drives and hospital services to baseball and scouting.

Many veterans would give anything to join The American Legion. But unlike you, they don't have the distinction of being a wartime veteran. So please, for your sake, don't pass up this limited opportunity to stand with your fellow warriors in The American Legion.

Please accept your nomination for membership and claim as your own all the benefits described on the enclosed Benefits Summary.

That's right; for only $30, you get all the benefits, all the services, and all the camaraderie for a full 12 months. That adds up to only 8.2¢ per day! And if you take advantage of just a couple of the many discounts, you'll most likely earn the cost of your entire membership back.

So there's no time like the present to join The American Legion. Please complete the Reactivation Certificate I've enclosed for you and return it to me in the envelope provided. You will not regret your decision to become a full-fledged member of The American Legion.

Serving those who served,

Daniel S. Wheeler
National Adjutant

P.S. To welcome you back, I'd like you to have 4 special gifts:

- A Blue Star decal for you to display with pride if you currently have a family member serving in the Armed Forces
- Patriotic name-and-address labels
- An Armed Services Bumper Sticker
- A custom-designed branch-of-service lapel pin with a pewter finish

When you reactivate your membership, remove the sticker from the front of this letter that denotes your branch of service. I'll see to it that you get the correct pin.

Questions & Answers *about* The American Legion

Q. How do I join The American Legion?

A. Simply complete the enclosed Reactivation Acceptance Certificate and mail it back today with your annual membership dues. A pre-addressed envelope is included to speed your reply. You can also join on-line by going to www.legion.org/mailoffer or over the phone by calling 1-888-805-6180.

Q. How do I know if I qualify for membership in The American Legion?

A. Look on your Reactivation Acceptance Certificate. If it lists your dates of military service, and if you served honorably, at least one day of active duty, you qualify for Legion membership. If you are still serving on active duty, in the Reserves or National Guard, you also are eligible to join.

Q. Why is membership in The American Legion limited to certain periods?

A. The American Legion was chartered by the U.S. Congress in 1919 as a *wartime* veterans organization. Our membership eligibility dates parallel dates set by Congress for wartime service.

Q. Why should I join The American Legion?

A. Your membership in The American Legion allows you to take full advantage of your status as a wartime veteran and receive additional American Legion benefits to which you are entitled. With your membership, you also support the troops presently serving and honor the other men and women in the United States military who have given so much for our country. And as a Legionnaire you'll have the opportunity to build friendships and camaraderie with fellow wartime veterans and continue your service to America.

Q. What types of service activities are Legionnaires involved with, and how do they contribute to my community?

A. The American Legion was instrumental in the creation of the Veterans Administration (VA) and having the VA elevated to a cabinet level agency and designated as the Department of Veterans Affairs. The Legion is also universally recognized as the originator of the GI Bill of Rights and it continues to work to maintain the rights and benefits earned by veterans through service to their country. Legionnaires are also deeply involved with community activities ranging from hospital services and blood drives to youth programs such as the Boy Scouts, the National High School Oratorical Contest, American Legion Baseball, scholarships and the annual American Legion Boys State/Boys Nation programs.

Q. If I join The American Legion, how involved in its service programs will I become?

A. That's strictly up to you. Some of our members are more involved than others but all members are encouraged to find a level of involvement that's comfortable for them.
