

# **Federalist Party Platform 2008**

We, the united people of the Federalist Party, Have come together to form this solid platform. We have built this platform based on our love of country, and our desire to see her continue to move forward as a shining example to the world. It is our intent that this platform will provide the foundation needed for that positive change.

## **Economy**

- We as the Federalist Party support greater fiscal responsibility by the United States Government.
- We support a reevaluation of the current US tax laws.

## **Immigration**

- The Federalist Party supports a system for a pathway for citizenship but at the same time, increasing border security to curb the influx of illegal immigration.
- We reforming the current immigration process with an emphasis on expediency.

## **Domestic Resources**

- We support US investment into all American Resources
- We as the Federalist Party support all legislation to end the US dependence on foreign oil and move towards sustainable American Resources.

## **Education**

- We as the Federalist Party support a reform of the “No Child Left Behind Act.”
- We support increasing Federal Funding to State Education.

## **Foreign Policy**

- We support the US asserting itself as a diplomatic leader on the world stage and spreading its ideals of Freedom and Liberty.
- We support the UN as a forum for diplomatic relations.

## **Armed Forces**

- We as the Federalist Party support our troops before, during, and after their service.
- We support increased funding for our veterans hospitals to show support for those who have served us so valiantly.

## **Individual Liberties**

- We strongly support all of the liberties granted to the American people under the Bill of Rights
- We stand behind every citizen’s second amendment rights, while strongly advocating safe and responsible use of Firearms.
