

ALPOP

American Legion Post Officer Portal

The American Legion National Headquarters has designed a secure internet site to assist Post Officers in their day-to-day membership processing duties – ALPOP. This monthly internet subscription serves as a direct portal from the local post to National Headquarter’s membership system. ALPOP has two primary features:

On-line access to the membership system at National Headquarters

- ✓ Lookup information on your members at National Headquarters. (Post/Squadron)
- ✓ Perform “Member Data Form” changes on-line. (Except for New, Renewals and Post Transfers)
- ✓ Complete your Consolidated Post Report on-line.
- ✓ Request Current, Expired, Deceased, and Undeliverable listings.
- ✓ Access to SAL Squadron Data.

AIM Software - AIM is a Windows-based computer program designed to assist Post Officers with managing post membership information on a computer at the Post or at home. AIM has been installed in over 800 American Legion Posts throughout the country to assist with membership recruitment, creating monthly newsletters, labels, letters and much more. Over 75% of the Posts using AIM have experienced an increase in membership.

- ✓ Download and install the latest version of the AIM software on your computer.
- ✓ Download current Post / Squadron data.

Please note that the payment process for individual membership dues does not change. Your Post must continue to transmit membership cards and dues payments to your Department Headquarters.

Cost: \$15 per month billed quarterly. This fee includes access to everything listed above.

NEW! 30-DAY TRIAL OFFER

Free 30-day trial period. Includes 30 days access to the ALPOP site and 90 days use of AIM software.
