

American Legion Riders

American Legacy Scholarship Fund Legacy Card Campaign

As an unfortunate consequence of Operation Iraqi Freedom and America's war on terror, many children of our active-duty military personnel are now members of single-parent families. In most cases, this also means their chances to attend college have greatly diminished. Children of military personnel who die on active duty are entitled to receive money toward a college education. But it's not enough. American Legion Riders across the nation are helping raise money for this worthy cause. Please join us to "provide for those left behind."

We are raising funds to ensure that higher education will be a reality for these families. Providing for the children our military personnel left behind is our civic duty. An education is a powerful way to show our thanks.
