On November 5, 2007, President Bush signed into law S. 423, the Veterans' Compensation Cost-of-Living Act of 2007. The law provides, effective December 1, 2007 a 2.3 percent cost-of-living adjustment (COLA) to the rates of disability compensation for veterans with service-connected disabilities and the rates of dependency and indemnity compensation paid to the survivors of certain service-disabled veterans. The Director, Compensation and Pension Service of the Department of Veterans Affairs', Veterans Benefits Administration issued the following draft Compensation, Pension, Dependency & Indemnity Compensation (DIC) and other rates. The new rates, if not equal to a whole dollar, have been rounded down to the nearest dollar. The increases will be reflected in checks or electronic transfers received by veterans and beneficiaries on or about December 31, 2007.
