Grant Guidelines

Though created by The American Legion in 1954, the American Legion Child Welfare Foundation, Inc. is a separate 501(c) 3 corporation. Our foremost philanthropic priority is to provide other nonprofit organizations with a means to educate the public about the needs of children across this nation. From 1955 to date, over \$15 million has been awarded to organizations to assist the children of this country from the American Legion Child Welfare Foundation, Inc.

Areas of Interest

We accept proposals from nonprofit organizations for projects, which meet one of the Foundation's two basic purposes:

- ◆ To contribute to the physical, mental, emotional and spiritual welfare of children through the dissemination of knowledge about new and innovative organizations and/or their programs designed to benefit youth; and
- ◆ To contribute to the physical, mental, emotional and spiritual welfare of children through the dissemination of knowledge already possessed by well-established organizations, to the end that such information can be more adequately used by society.

Characteristics of Typical Grants

- ◆ The Foundations grants are awarded for one calendar year and must be completed by December 31 of the award year.
- ◆ Grants have ranged from \$1,500 to \$90,000, and average about \$32,000.
