This is one of the most important sections of your fundraiser. This is where you can tell your story and why 100 Miles for Hope and The American Legion are important to you. Here's a few ideas to get you started:

Why are you raising money?
Want to join me in supporting a good cause? I'm raising money for American Legion Charities Inc and your contribution will make an impact, whether you donate \$5 or \$500. Every little bit helps. Thank you for your support. I've included information about American Legion Charities Inc below.

The American Legion Charities mission is to raise money to help support patriotic programs and services for veterans, youth, military personnel and communities.

I'm joining the 100 Miles of Hope Challenge! This exciting event challenges participants to get up and go 100 miles. I'll be running 1 mile a day until I hit my goal!

Not only is this a fun way to get active, it's a fundraiser for a great cause. Every dollar I raise directly supports The American Legion Veterans and Children Foundation which provides financial assistance for disabled veterans and military families.

Will you join me in supporting veterans and their families? Your contribution will make an impact whether you donate \$5 or \$500. Every little bit helps. Thank you for your support!
