COMMANDER'S COMMENTS

By Clare Sullivan

Well, we've had an excellent start to 2026! Polar Bear Jump-Off Festival was a great way to start, and as always our Post 5 Family stepped up and made things happen! Thank you for all your support of the post our meetings with Senator Sullivan, and with all the Polar Bear events at the Post and around town! 😊

As we move into February we will remain busy with our regular activities including complementary nightly meals and weekly activities (Bingo, poker, pool league, Jewelry Class) all supported by our amazing volunteer bartenders who make a lively and welcoming place in our "Social Area!" Thank You for all you do "behind the plank" as well as supporting our American Legion programs! 🤝😊

Here we are in February, we stand ready to support where we can with food and any other help our veterans and their families need in these days of high prices that are found everywhere and still growing!!! 🤪

We have more things in the hopper, but I'll let the the 2nd Vice give more details in his section. Also, make sure you take a look at the calendar for nightly activities and the yummy meals.

February is **Americanism** Month. Many may wonder what that means and essentially it is the month that we focus on one of "**The Four Pillars**" that make up the American Legion. In 1919, The American Legion was founded on four pillars: **Veterans Affairs & Rehabilitation**, **National Security**, **Americanism**, and **Children & Youth**. Each pillar encompasses a variety of programs that benefit our nation's veterans, its servicemembers, their families, the youth of America and ordinary citizens. These programs make a difference in hundreds of thousands of lives each year.

At the national level and at varying levels at the posts, Americanism encompasses many of the following programs:

- **Flag Education**
- **Immigration & Citizenship**
- **Voter Registration and Participation**
- **Scouting**
- **Scholarship Programs (Legacy, Oratorical, etc.)**
- **Boys State and Boys Nation**
- **American Legion Baseball**
- **Junior Shooting Programs**

As you can see there is a lot to the American Legion, what it does and can do to be a vital part of a community; these programs are under only one pillar, there is so much more when you examine the other pillars and what is done in the community, state and nation. Visit legion.org and find out more.

February brings the "**first call for officers**" for the Post and Auxiliary; the Sons will have their "**second call**." All positions are up for consideration in all our organizations.

If you like what we are doing (or not) and want to get involved, this is a great way to do that. As you may already know we help many in our community and throughout the state by funding scholarships, supporting community events, helping those in need, honoring our patriotic holidays, and generally running an organization that positively impacts many in this community.

You may think it takes a lot of time, but not really. The way posts are organized, the "division of labor" isn't overwhelming for one officer or position. We all pull together to make things successful. We are thrilled at whatever you are willing to do to help. Our decisions about our activities are made at our Post meetings. You can help guide what we do by coming in and offering your input, your "2 cents," and ideas. With this in mind, and in order to participate you need to be a current member, so drag out your card from your wallet and if it doesn't say 2026 - you need to renew (hint, hint 😊), besides we got great chow every night just for your "dining pleasure." 😊

The History of the Four Chaplains

On **Feb. 3, 1943**, the United States Army Transport Dorchester - a converted luxury liner - was crossing the North Atlantic, transporting more than 900 troops to an American base in Greenland. Aboard the ship were four chaplains of different faiths: Reverend George Fox (Methodist), Jewish Rabbi Alexander Goode, Reverend Clark Poling (Dutch Reformed) and Father John Washington (Roman Catholic).

Around 12:55 a.m., a German U-boat fired a torpedo that struck Dorchester's starboard side, below the water line and near the engine room. The explosion instantly killed 100 men and knocked out power and radio communication with Dorchester's three escort ships. Within 20 minutes, the transport sank and more than 670 men died.

As soldiers rushed to lifeboats, the four chaplains spread out, comforting the wounded, and directing others to safety. One survivor, Private William Bednar, later said, "I could hear men crying, pleading, praying. I could also hear the chaplains' preaching courage. Their voices were the only thing that kept me going."

Another survivor, John Ladd, watched the chaplains distribute life jackets, and when they ran out, they removed theirs and gave them to four young men. "It was the finest thing I have seen, or hope to see, this side of heaven," he recalled. As Dorchester sank, the chaplains were seen linked arm in arm, praying.

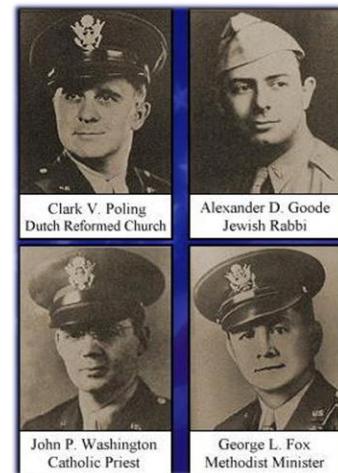

Fox, Goode, Poling and Washington were posthumously awarded the **Distinguished Service Cross** and the **Purple Heart**, and in 1948, **Congress declared Feb. 3 to be Four Chaplains Day**. Please also visit the [Four Chaplains](#) website as well for more information.

Because of the Medal of Honor's strict requirements of heroism under fire, Congress authorized a one-time **Chaplain's Medal for Heroism** on July 14, 1960. The award was presented to the chaplains' next of kin Jan. 18, 1961.

On Feb. 3, 1951, President Truman dedicated a chapel in the chaplains' honor at Grace Baptist Church in Philadelphia. When the building was sold, the chapel fell into disrepair, and the foundation overseeing the chapel moved it to the Philadelphia Naval Shipyard in 2001. The chapel was repaired in 2004 and given the name Chapel of the Four Chaplains.

In 2006, at The American Legion's 88th National Convention in Salt Lake City, the National Executive Committee passed a resolution that supported awarding the Chaplain Medal of Honor to Fox, Goode, Poling and Washington. In 1998, a US Senate resolution was passed to recognize the 55th anniversary of the incident making Four Chaplains Day official.

The Chaplain's Medal for Heroism is a decoration of the United States Congress which was authorized by an act of Congress on July 14, 1960. Known as the **Chaplain's Medal of Honor** and the **Four Chaplains' Medal**, the decoration commemorates the actions of the Four Chaplains who gave their lives in the line of duty on February 3, 1943. The medal was designed by Thomas Hudson Jones (1892-1969) of the United States Army Institute of Heraldry. It was presented posthumously to their next of kin by Secretary of the Army Wilber M. Brucker at Ft. Myer, Virginia on January 18, 1961.

2nd Vice & Adjutant Report...

By Mike Calhoon

Hello from the Second Vice and Adjutant.

Wintery beginning to the new year. Hope you are all staying warm, dry, and safe.

Thanks to everyone who dedicated time and effort towards all our January activities. We appreciate everyone more than a few words can say. We could not accomplish what we do without the great volunteers.

As always, I do want to thank the great Club volunteers that give their time each week to keep the social area running and providing beverage and food service for all of you. Please remember, these folks do not get paid and work for tips only.

This month we will have the Superbowl party on Feb 8th, ALR breakfast on Feb 14th, community breakfast on Feb 15th. Let me know if you would like to help with any of these activities.

We have started selling tickets for our next gun raffle which is for a Ruger bolt action 6.5 Creedmoor. \$20.00 per ticket with only 120 tickets to be sold and the drawing to be held on February 21st at 7:00pm.

I would like to ask everyone to be considerate of others when you come to enjoy the food here. We provide these meals as a benefit to our membership and would like to see as many members have had the opportunity to eat as possible. Please limit yourselves to one helping until it is apparent that most folks, who want to, have eaten. Thank you for your consideration.

The new membership year of 2026 is in full swing. Your membership supports all the programs and activities of Post 5 and those of the Department of Alaska and the National Organization. You can renew your membership by going to mylegion.org to renew online, you can mail your renewal when you receive it in the mail, or you can stop by the Post and we will get to

see your smiling face. The dues have remained \$60.00 for Post members.

Thanks to all of you who continue to support your Post and all the activities designed to support our membership, our veterans, and the community. We look forward to seeing you all and please feel free to call if you have any questions or concerns.

From the President's Desk

By Debbie VanTassel

Welcome to February! As the days are getting longer and hopefully a little warmer we can certainly start looking forward to spring!

Please note: The Monthly Auxiliary meeting will be moved to February 18th due to several officers being out of town or unavailable on the usual date so please make note of this change.

At the monthly meeting, it will be the first call for officers to serve in the upcoming year. We would love to have additional members serve as officers and help guide the Auxiliary into the new year. If you are interested in running for office please attend the meeting on the 18th!

As we enter February, a couple of reminders. First, if you have not paid your 2026 dues, please do so as the 2025 cards are no longer valid. Membership dues are an important aspect of funding the unit, the department and national programs that are the heart and soul of the American Legion Auxiliary.

Bingo is ongoing every Monday night. The doors open at 6 PM and games start at 6:30 PM. Please try to arrive in a timely manner so that games can start on time. Thank you to the volunteers that help every week to make certain Bingo is available every Monday. It is a great way to get out of the house and have some fun during these long winter evenings. We still have a few of the 2026 Pet Calendars available if you need a calendar. Also the Auxiliary voted to produce the calendar again for 2027 so start early and get those pet pictures!

The Post will be hosting a **Super Bowl Watch Party** on February 8th. The Post will open early so members can watch the game and enjoy some great snacks.

As always, the Post will have many opportunities for members to volunteer. The **second and third Sunday breakfasts will be on February 9th and 16th**. Check with Mike to find out when volunteers are needed.

Important Days in February

February 3rd is 4 Chaplains Day. This day is the anniversary of the sinking of the Army transport vessel Dorchester during World War II and the courageous acts of four Army Chaplains that were onboard. The Four Chaplains were Lt. George L. Fox, Lt. Alexander D. Goode, Lt. Clark V. Poling, and Lt. John P. Washington. On February 3rd, 1943, the Dorchester was hit by a torpedo from a German U-boat in the Labrador Sea off the coast of Greenland and quickly sank. As the ship was sinking, the Four Chaplains guided men to the lifeboats and handed out life jackets. Many survivors reported that the Chaplains gave away their own life jackets and were on the deck praying hand in hand as the boat sank. The Four Chaplains were awarded the Purple Heart and Distinguished Service Cross posthumously. Also, a Special Medal of Heroism was authorized by Congress and awarded by President Eisenhower in 1961.

February 4th- the USO Birthday

Commander's Comment's Con't from pg 1

The **41st Anniversary of the Polar Bear Jump Off Festival** occurred on the weekend of 16-18 January 2026 and the Post was in the middle of it with food, fun and fundraising. We even had several of our members do the jump! It was cold but all persevered with activities inside and out of the post! From our fabulous Steak Nights to the Karaoke Contest, to the parade and jump all was provided for all in attendance. We enjoyed all the fun and fundraising in support of this great cause to beat cancer with the American Cancer Society.

The entire town rallies every year to support this event and it shows with the amazing fundraising they have done over the many years. The notable part of this is that it was started by Unit 5 Auxiliary member Marilyn Sutherland way back "in the day." She is referred to as Polar Bear Marilyn, although many of the newbies don't remember the beginnings. That's okay, they're still getting it done!!!
