Greetings Department of France,

This year is already speeding by. For the next couple of months, I will be at my Colorado Ranch with my wife on a well-deserved vacation for her. Note, I am still available by phone, WhatsApp and of course via email.

I am looking forward to seeing as many Commanders and Adjutants this next Sunday the 3rd of August at 14:00 CEST for our Commander's and Adjutant's Meeting. Please get that

one via WebEx, then every other month same first Sunday, same time, 14:00 for the C&A Meeting. The next one will be on the 5th of October, then 7th of December, the 1st of February, the 5th of April and the 7th of June. I would really like to see all Post Commanders and Post Adjutants participate along with our VCAL, all four VCs, Membership Chairman, JA and any special guest that makes sense to bring in. We knocked our Membership out of the Park last Membership Year for the Department of France. I feel one of the reasons is that we were in constant contact with all of the Post Commanders and their Adjutants in these meetings. If you have not come to this bi-monthly meeting, please do consider it. I am sure that everyone will get something out of it.

Please note that the Commander's Advisory Council Meetings have voted and changed to the First Monday Evenings at 19:00 versus the first

Sunday on the other Bi-Monthly meetings as I mentioned in last month. These months are 1 September, 3 November, 5 January, 2 March and the 4th of May 2026.

This month August, I am looking forward to attending the National American Legion Convention in Tampa Bay from the 22nd to 28th of August. Then I plan to attend the China Post 1 Reunion in San Diego 14-19 September.

From what I have seen, our Department Membership thus far has exceeded our numbers from last year this time, keep it up! If we all get on it and have our 100% Posts Memberships before Christmas, then we will be the top of the Department lists again. This year, I will be talking about memberships a bit more than I did last MY.

Very Best Wishes,

Commander Dennis

DEPARTMENT ADJUTANT

Department Adjutant's Corner

Greetings Comrades,

I will be traveling to the States on 26 July for some vacation and to attend the National Convention in Tampa Bay. We will return on 2 September, but have another activity in Paderborn, Germany, from 3-7 September. I will be answering emails; however, there might be some delay.

Certification of Officers: Thank you to the Posts who have recently held elections and sent in the Notification forms. I can add all Post Officers to the Post Officers Roster on myLegion.org. Reminder, after Post elections or a change in Post Officers, it is required to send two forms to the Department Adjutant.

1. Notification of Post/Squadron Commanders & Adjutants: This form must be sent to the Department Adjutant immediately (within 24 hours) after Post elections. The form should be dated the date of the elections/appointment.

2. Post Officer Certification of Service Form: This form has been revised and sent to all Posts. It needs to be forwarded to the Department Adjutant as soon as possible after Post elections (within 15 days). The Effective Date of Election of Appointment is the date of the original election or appointment. For example, if an Officer was elected on 1 May 2023 and re-elected on 1 May

2024, the Effective Date block will show 1 May 2023.

These forms are critical to keep the current Post Officer informed of Department news. If I do not have the correct information, your Post may not receive vital information.

Please contact me for any questions or if you need the forms.

Dates to Remember:

3 August 2025, 1400 CET – Commanders Advisory Council
1 September 2025, 1900- CET – Commanders and Adjutants Meeting, via WebEx
25 October 2025, 1300 CET – 2nd Department Executive Committee Meeting

Thanks, and best wishes.

Good day everyone. Really just one item I really want to cover.

This is directed at all Post Commanders and Adjutants. As you all are aware, the American Legion memberships cards were not available when we held the DEC/Convention in June. The

Department Adjutant decided to hold the American Legion Cards when he did receive them until he had also received the SAL cards and will admit that was a good call. This way it helped not having too much floating around out there.

The Department Adjutant has now forwarded the Legion/SAL cards to the appropriate Department Vice Commanders and I believe all Vice Commanders are now in possession of the membership cards for their assigned Posts.

The Department Vice Commanders will make arrangements to either hand deliver these cards to each assigned Post or mail them, whichever is deemed expedient. If you have not

heard from your assigned Department Vice Commander, I urge you to reach out to your assigned Vice Commander. If you have not received your cards or heard from your Department Vice Commander please let me know and we will see where the disconnect lies.

If you ever feel that there may be a communication problem, please feel free to contact me so we can determine if there is a problem and if so correct it. I remind the Commanders and Adjutants periodically to check your SPAM folders, to ensure that no correspondence got diverted there.

I wish everyone a successful membership year and encourage everyone to work together to accomplish this.

REMINDER...ALL NEWSLETTER ARTICLES SHOULD BE TURNED IN BY THE 28TH OF THE MONTH. I WOULD PREFER IF YOU SENT IT IN WORD FORMAT, PDF WOULD ALSO DO. GET THE WORD OUT!

"Greetings from glorious northern France to all our DFR comrades! Like most of you, I'm willing to bet, I've been busier than a 3-legged goat in an *-whopping contest...and I thought 2025 was going to be my mellow year lol! On the heels of our Convention

and besides reaching out to "my" Posts to get membership cards distributed, I don't have anything substantive to report, other than to announce that I'm honored to represent you all at National's Membership Workshop 8-9 Aug in Indianapolis. I am looking forward to bringing back what I've learned to share with you at the 2nd DEC in Oct...and will most likely send the highlights out before then.

From 15-23 Aug, I'll be volunteering (KP duty!) on the "Isle de Large of the San Marcouf Islands" off the coast of Utah Beach in Normandy. The first D-Day casualties were incurred on that island, when several commandos were killed by mines that the Germans had booby-trapped the island with, as they

had no regular presence there. The association I belong to is working to preserve their heroism and repair the damage that the mines created to the ancient fortifications there.

Then its vacation time back home in far west Texas from 25 Aug to 27 Sept. I'll still be available by all means if anyone needs to reach out.

Here's hoping you all are enjoying your summer with family and friends, and see you in October!"

Comrades, I would like to address the topic of email etiquette. First, I must

admit that I am guilty of not adhering to the established rules. As a member of the post, I observed the messages from the post commander without responding. When I ascended to the position of Post Commander, I allowed the lack of responses to go unchecked, as I had done the same previously. Indeed, I acknowledge my error. However, now as the Vice Commander, overseeing 7 Posts, I expect that the Post Commander will respond to my emails. From the Department Commander down to the Post Commander, we must lead by example. Most are aware that I

typically respond with a simple "Received," without a formal reply. This is merely to inform you that I have acknowledged your message. A comprehensive response will be provided within 48 hours. My intention is to ensure that the correct information has been received. Furthermore, when replying, adherence to proper email etiquette and protocol is expected. Thank You .

Department of France Scouting Program Newsletter

August 2025

DEPARTMENT SCOUTING DIRECTOR NOTES:

It's been a truly remarkable period for Scouting across the Department of France this summer. We've seen hundreds of Scouts return from unforgettable summer adventures at Camp Alpine in Switzerland and Camp Aventura in Croatia, bringing back new skills and cherished memories. Many also dedicated themselves to leadership development through National Youth Leadership Training (NYLT), shaping the next generation of leaders.

On a personal note, I had the privilege of attending Intercamp 2025 in Baumholder to present the NESA Outstanding Eagle Scout Award to Colonel Rick Gallenaio, a fellow veteran. It was inspiring to see him, in turn, present Scouting America's highest award to Gabe, the newest Eagle Scout from Post BE02's. We'll be expanding on these inspiring stories as we develop the **Transatlantic Council NESA Military Affinity Network**. Find out more at our [TAC NESA Eagle Scout Zoom Round Up](#) on August 19th. Looking ahead, mark your calendars for our [Shooting Clays](#) event in October, a great way to support Scouting and have some fun on the range too.

This announcement also comes with the challenge to earn the [75th Anniversary Spirit Award](#) that can be earned by any registered member of Scouting America's Transatlantic Council. There are specific requirements for each program level.

ITS RECRUITING SEASON!

With the start of the DODEA School year and other schools following, don't forget to make sure your unit is front and center in your community to let people know you are always welcoming new scouts and adults! Use resources from the Transatlantic Council's [membership page](#) to help! How will new families find you? [TAC has customizable recruitment flyers available!](#) Emails are another way. An information table at your school or public spot is great. Scouts in their uniforms is great too. Need your custom recruiting link for emails and flyers? The unit Key 3 can find it on the Invitation Manger link in their [my.scouting.org](#) account. By the way, Youth and adults may wear this strip on the bottom edge of the right pocket. DEPARTMENT
SERVICE OFFICER

The American Legion Department of France Department Service Office

What we do

The Mission of the Department Service Office is to provide benefits information, assistance and advocacy to all who have served and their families. Many Veterans are unsure of their entitlement to VA benefits so we ask that anyone who identifies as having served to contact our office to be directed to an appropriate resource.

The Department Service Office provides services and help with the following benefits:

VA Services:

- Comprehensive VA benefits counseling
- BDD Transition VA Claims
- Assistance with Foreign Medical Program care enrollment
- VA Claims preparation, submission and follow-up on VA decisions
- Initiate and develop appeals on unfavorable VA decisions when appropriate to include representation at VA Hearings
- Survivors Death Benefits

**** We will not advise on Social Security or DoD matters. ONLY VA ISSUES!**

What do Department Service Officers do?

A DSO will ensure that Veterans and their families receive all federal VA benefits available to them. DSO's do this by providing effective and dedicated representation to veterans and their families, free of charge. *You will never receive a bill from us!*

DSO's are trained and accredited by the American Legion to represent veterans in their claims for VA benefits. DSO's are versed in applicable federal laws to provide the best representation possible.

The Department Service Office should be the first stop for all recently discharged service members and anyone who has served in any of our armed forces branches to receive a complete VA benefit explanation.

DEPARTMENT MEMBERSHIP COMMITTEE

James Dennis

Hello Comrades,

We are starting out "good" in membership for the 2026 membership year. We are at almost 60%. Let's see if we can hit 80% by the DEC in October. I believe we can make it and possibly get a higher percentage. Looking at the standings, here are our stats.

I am using 10 Aug 2024 for last year's stats.

Today's Percentage: 59.40 2025: 59.40
 Post's hit 50% target date: 20 2025: 17
 Posts at 100%: 3 2025: 1
 Renewal at 100%: 3 2025: 0
 Total members to date: 1794 2025: 1782

Looking at the stats, we are at the same percentage, weeks ahead of last year. Three more posts have made the cutoff date, two more posts have made the 100% goal, three Posts have hit the 100% renewal goal, and we are 12 members ahead of last year. I will compare our stats around the 10th of August to see exactly how we are doing. You are all doing a great job, the 100% this year looks good.

I still have not received Post membership chairman's names for most Posts. I will "drop" Post names on my next standings. I hope I receive a few by then.

That's all I have for this week.

be answering emails; however, there might be some delay.

Membership: We are in the 2026 Membership Year.

Let's get started on our 2026 Goal! Get your members to renew early. Talk to your Post members to see if they are eligible. If your Post does not have a Squadron, contact the closest Squadron or the Squadron of your choice and sign up. Talk to family members and sign them up. I plan to do that during my travels to the States this summer. The

Department has over 3000 Members. The Detachment should have at least that many.

The United States Coast Guard's birthday is celebrated on August 4th. This year, 2025, marks the 235th anniversary of its establishment. The Coast Guard was founded on this date in 1790 when Congress authorized the construction of ten vessels to enforce tariff and trade laws.

The official Purple Heart Day is observed on the 7th day of August each year, commemorating the historic day in 1782 that General George Washington, Commander-In-Chief of the Continental Army, commissioned the first Purple Heart Medal, originally called the Badge of Military Merit.

Japan's surrender, which marked the end of World War II, technically came on Aug. 15, 1945. But due to the time difference, which spans the international date line, word came to the United States on Aug. 14. Thus, that day (today) is celebrated as V-J Day.

American Legion National Convention

The 106th National Convention is in Tampa, Fla. National convention attendees participate in commission meetings, workshops and training sessions, as well as hear from distinguished guests, see award presentations and elect a new national commander.
