

BUILD MEANINGFUL CONNECTIONS WITH WELLCARE COMMUNITY RELATIONS!

Partner With Community Relations

Partnering with the Wellcare Community Relations team is a powerful way to strengthen your organization's presence in the community while advancing the goals that matter most to you. We work hand-in-hand with local partners to support events, share resources, and build meaningful connections that elevate your mission and expand your reach. Our Community Relations team does more than plan events - they come prepared to bring activities to your location, provide education to your communities and coordinate donations or resources that make a real difference.

EVENT ENGAGEMENT

Community events are a powerful way to build trust, increase visibility, and create meaningful connections with the people you serve. Wellcare Community Relations is ready to support your event needs - from bingo parties to health fairs and everything in between.

LOCAL & NATIONAL SUPPORT

Wellcare has a national presence and our Community Relations team has specialists in 32 states. For larger organizations with multi-state footprints, this means more opportunities throughout the communities that matter most to you.

INFORMATIONAL SESSIONS

Not ready to plan an activity, but still want to provide the people you serve with information that can support their overall health? Our team is prepared to educate on a variety of topics, including Medicare 101, technology, healthy eating and more!
