

Sheraton In-Room Dining Information.

- The menu and ordering platform is accessible through a QR code that can be found on the desk in each room (see attached picture).
- The menu can also be accessed through the Marriott Bonvoy app.
- Guests will place their In-Room Dining order directly from the online menu. No need to call down to the restaurant or bar to place their order!
- Guests can pay for their order in the app via credit card, or they can charge it to their room (cash will NOT be accepted).
- Orders will be delivered to the room packaged in high-end, compostable containers.
