

SHERATON INDIANAPOLIS CITY CENTRE HOTEL

PARKING INFO

Overnight parking for Groups with Discount Parking – The group contact will be given a parking code in advance of the arrival date which needs to be given to attendees who require overnight parking prior to their arrival. When attendees arrive to the Hotel, they will be given a parking link from valet which they will use to retrieve their vehicle. The group code must be entered in order for the guest to receive the discount parking rate. Please note that parking will need to be paid for in advance on the link in order for a vehicle to be retrieved by valet. If a guest is here for multiple days, there will be in/out privileges available as soon as the parking has been prepaid for how many days a guest has designated for their stay.

Overnight parking for Groups with Discount Parking (with comp parking or parking being billed to a master account) – same as above but not paid for in advance because a different parking code will be given to use.

Legion Parking Passes for Self-Parking – Market Tower Garage, which is around the corner from the Sheraton, the entrance is located on Illinois Street (next to First Watch). This is the garage that we refer people to that self-park. The garage is a 24-hour garage.
