

PARKING OPTIONS

DOWNTOWN LOUISVILLE

These are some public or widely used parking garages and lots within easy walking distance of the convention center and most downtown hotels:

Closest & Convenient

- **Commonwealth Garage - KICC** – On-site parking adjacent to the Convention Center. Standard event parking rates apply
- **Cowger Garage - KICC** – Another on-site garage right by the convention center with similar pricing.

Other Downtown Parking Garages

- **1st and Main Parking Garage** – Central downtown location near restaurants, shops, and a short walk to the convention center.
- **Fifth Street Parking Garage** – Slightly south of the Convention Center area but still walkable.
- **Jefferson Centre Parking Garage** – Downtown public garage managed by the Parking Authority of River City (PARC).
- **Riverfront Parking Garage** – Near Waterfront Park and downtown attractions.
- **Muhammad Ali Center Parking Garage** – Close to entertainment venues and a short walk to the center.
- **Louisville Parking Garage** – Another central option on W Main St.
- **Yum Center Parking Garage** – While primarily for arena events, this garage is in the downtown core and useful if other garages are full.

Surface Lots & Other Options

- **Riverside Parking** – Central surface lot parking
- **Silver Parking Lot** – Small lot a bit further east near the riverfront.
- **Green Building Lot and Lincoln Parking Lot** – Additional surface parking near downtown.
