

# TAMPA, FLORIDA - BOAT EXCURSIONS

## **Craft Tampa**

603 Channelside Dr

Tampa, FL 33602

**Phone:** (813) 223-7999

**Website:** <https://crafttampa.com/>

**Contact:** Jennifer Richardson

**Email:** [DEnos@YachtStarship.com](mailto:DEnos@YachtStarship.com)

### **Description:**

Welcome aboard Tampa's only dining river cruise. Craft is a low-profile dining river cruiser, which resembles the riverboats in Europe. Designed with less than 11' of vertical clearance to pass beneath the many low bridges in the heart of Tampa for guests to experience Tampa's best views. Craft can accommodate up to 150 guests. A culinary & cocktail river journey.

## **The Florida Aquarium**

701 Channelside Dr

Tampa, FL 33602

**Phone:** (813) 273-4000

**Website:** <http://www.flaquarium.org>

**Contact:** Beth Trainer

**Email:** [moreinfo@fluquarium.org](mailto:moreinfo@fluquarium.org)

### **Description:**

Fun is in the water at The Florida Aquarium, home to a variety of animals from dwarf seahorses to apex predators! Guests are invited on a journey to enjoy species ambassadors from Florida and beyond.

- A free-flying bird aviary with a lush mangrove tunnel, native fish, river otters, and alligators are in Wetlands of Florida habitat.
- The 500,000-gallon panoramic Coral Reef Gallery is home to impressive sharks, stingrays, sea turtles, barracudas, and more.
- Opportunities to learn from Aquarium staff include interactive experiences such as Stingray Touch, No Bone Zone and Moon Bay-- where guests may safely touch fascinating moon jellies!
- An outdoor plaza boasts a splash pad children's play area, The Cove bar, and Penguin Pavilion.
- Get in and on the water! Jump into SeaTREK, a helmet diving experience, and set sail in Tampa Bay on the Wild Dolphin Cruise.
- MORPH'D exhibit features animals that have adapted to survive including electric eels, axolotls, bird poop frogs, four-eyed fish, and more!

The Florida Aquarium is located in downtown Tampa along the streetcar route and between 2 cruise ship terminals. There is easy access to Tampa's award-winning Riverwalk, historic Ybor City, Sparkman Wharf, restaurants and more.

More than a fun attraction, The Florida Aquarium is working to protect and restore our blue planet. Admission ticket sales help educate visiting students, provide world-class care to animal ambassadors, rehabilitate rescued sea turtles, and advance scientific research to save the Florida coral reef tract. As a 501(C)(3) non-profit organization, the Aquarium is accredited by the Association of Zoos and Aquariums for maintaining high standards in animal welfare, veterinary care, conservation and education among other requirements.
