Departments will have a minimum goal to start/revitalize two posts within the current membership year. Departments will earn 1,000 points for each new temporary post charter.

MEMBERSHIP CHALLENGES AT COMMANDERS' AND ADJUTANTS' CONFERENCE

Challenges between departments provide ammunition for membership drives while encouraging friendly rivalry.

Department Membership Challenge forms must be turned into the department staff liaisons in the Membership Division prior to the adjournment of the Commanders' and Adjutants' Conference (**see page 12**). This will permit the staff to review them and to clarify questions. They must contain the signatures of the individuals making and accepting the challenge. Challenges may be based on any number of different criteria and not just membership numbers.

Certification forms must be submitted to the Membership Division by January 31 (**page 13**).

BIG TWELVE COMPETITION

Each department must maintain its own respective roll call pledge by having remittance forms and accompanying dues to equal the pledge made, received by National Headquarters during normal business hours on or before the March target date. The department in each category that has pledged the highest percentage and meets this goal will be the winner.

Transmittals in excess of the pledge (at least 90%, not including DMS totals) will not alter the relative standing of the departments; however, defaulting among the Big Twelve by turning in a smaller number than pledged will completely disqualify the department. As departments default, others in the same category will move up. The winner in each category

will be reimbursed for computer equipment purchases up to \$2,000. Department runners-up in all six categories will be reimbursed for computer equipment purchases of up to \$1,000.

The six categories in the Big Twelve Competition are:

Category I	Departments of 60,000 or more members
Category II	Departments of 35,000 to 59,999 members

Category VI	Departments of 4,999 or fewer members

Competition is divided into five categories based on the membership of the district without regard to geographic locations. District commanders will compete in each of the following categories based on final membership year totals, and a top district commander for the national award will be selected from each of the five categories. Post ribbons will also be awarded to each top district commander for all posts in those districts.

Second and third place awards will also be presented in each category. The district commanders will be awarded checks in the amount of \$500 for second place or \$375 for third place, but no additional ribbons will be awarded for the posts in these districts.

NATIONAL CONVENTION

DELEGATE STRENGTH

Receipt date: 30 days prior to the beginning of the national convention

National Headquarters must receive transmittals for delegate strength during normal business hours on or before 30 days prior to the beginning of National Convention.

Delegate strength is determined by total membership, including DMS members, in the hands of the national treasurer 30 days prior to the national convention. Total number of delegates for each department is based on five delegates at large, one delegate for each 1,000 members or major fraction thereof, and the members of the National Executive Committee.

DEPARTMENT COMMANDER ALL-TIME HIGH AWARD

Specially cast all-time-high rings will be awarded to the commander, adjutant and membership chairman of each department attaining a new all-time-high membership (DMS included) for the current membership year by 30 days prior to the national convention.

The national commander reserves the right to award a different but similar award to any commander, adjutant or membership chairman who has already received an all-time-high ring.

DEPARTMENT HONOR RIBBON

Each department equaling or surpassing its previous year's final membership by opening day of the national convention will receive an honor ribbon for its department colors.

MISCELLANEOUS TROPHIES AND AWARDS

PIONEER AWARD

The National Membership & Post Activities Committee created the Pioneer Award on May 5, 1965, to recognize those directly involved with new post formation. However, recognition and awarding of this citation are the new post's responsibility.

Completed certification forms should be returned to department headquarters for approval prior to being forwarded to National Headquarters. All Pioneer awards will be returned to department headquarters for proper presentation (**page 26**).

FIVE OR MORE CONSECUTIVE YEAR ALL-TIME HIGH POST AWARD

Purpose of report: To certify to National Headquarters those posts eligible to receive the Five (or more) Consecutive Year All-Time High Award. The citation may be ordered at any time for a qualifying post, but we suggest it be ordered about one month prior to the time planned for presentation (department convention, district convention, visit by department commander, etc.). Departments should check and ensure at the close of department books that all qualifying posts are certified. After a post has won the award for five consecutive years of all-time membership highs, it may continue to win the award each year thereafter as long as each year's membership sets a new all-time high. Please list posts in numerical order (**page 15**).

Note: Post names and numbers will be printed on the award exactly as shown on your report. Costs of replacement awards resulting from an incorrect report will be charged to the department.

GENERAL HENRI GOURAUD TROPHY AWARD

A plaque is awarded annually to that department in each of the six categories for first exceeding its national membership goal. These department categories will be the same as those used for determining Big Twelve winners, with one winner to be determined in each category.

FIVE OR MORE CONSECUTIVE YEARS ALL-TIME HIGH DEPARTMENT AWARD

All departments that by December 31 have an all-time high in membership for the current membership year (DMS included) that represents five or more consecutive years will receive a special plaque recognizing the number of consecutive years all-time high.

HENRY D. LINDSLEY TROPHY

All membership transmittals used in determining the winner of this plaque must be part of the March 31 turn-in and must be received at National Headquarters during normal business hours on or before March 31. The trophy is awarded to the department that on March 31 has attained the highest percentage of membership over its previous year's final membership, without counting DMS in either year.

JERRY L. HEDRICK MEMBERSHIP AWARD

This is a membership plaque for departments other than the 50 state departments and the District of Columbia. The North Carolina Trophy is to be awarded to the department that on March 31 has attained the highest percentage of membership over its previous year's final membership, without counting DMS in either year.

100% DISTRICT COMMANDER PIN

This special pin may be awarded to district commanders who accomplished at least 100% of their assigned district membership goal. These commanders may be nominated by their departments at any time during the membership year (**page 27**).

REVITALIZATION RECOGNITION LETTER

Individuals who assist in revitalizing a post will receive a recognition letter from the national commander for their hard work. The revitalized post will receive a letter from the national commander welcoming them back into The American Legion (**page 28**).
