AMERICAN LEGION BASEBALL

2022 National Tournament Rules and Polices

INTRODUCTION

Since 1925, The American Legion has sponsored youth baseball as a national program for the primary purpose of teaching good sportsmanship (win or lose), teamwork and good citizenship, while providing competitive supervised recreation. Listed on the next several pages are various tournament rules and policies of The American Legion. These policies and rules are reviewed and approved annually by the National Americanism Commission. The Commission is a group of American Legion volunteers from many different Departments (states) who give of their time and service to supervise the youth programs of The American Legion.

All National Tournaments will be played under the policies and rules established by the National Americanism Commission. All disputes and questions shall be referred to the on-site National Tournament Director appointed by the National Commander. Any situations not specifically covered by National Rules or the tournament regulations will be referred to the National Americanism Division, whose decision shall be final.

It is important that the coaching staff read and understand these instructions, tournament rules and policies. There are many policies which are designed to provide for the safety of the players and provide a level playing field.

NATIONAL TOURNAMENT TEAM/PLAYER CERTIFICATION

National Tournaments will comprise of a 64-team field across 8 regional tournaments, with each region having no greater than 8 teams. No single department may have greater than 2 teams playing in a regional tournament.

The breakdown of the 64-team field of regional tournaments is as follows:

- One team each from 50 departments
- One additional team each from the eight regional hosts
- One team from each of the top 6 departments nationally having the highest total number of registered senior teams AND who do not already have 2 teams represented in their regional tournament.

The championship team from each of the 8 regions advance to play in the American Legion World Series.

All Americanism Commission supervised tournaments will be eight team double elimination tournaments with the exception for the American Legion World Series.

The Team Manager and the Department Chairman are responsible for ensuring the following items are sent via email to the national office (baseball@legion.org), immediately following the conclusion of the Department Championship Tournament, Official Certification of Champion (**Form #18**), Tournament Housing List (**Form #25**), and team photograph with Photo ID (**Form #10**).

It is critical that forms reach national office immediately following the completion of the department tournament. Completed forms should be emailed to baseball@legion.org.

NOTE: The team roster will be downloaded from the national baseball website baseball.legion.org. Department Chairman will verify that the team manager and coaches have successfully passed mandated risk management requirements.

The Team Managers **will hand carry** and deliver to the onsite Regional Tournament Director the following forms:

1. For each Player, a state-issued driver's license that complies with the Federal Real ID Law; **or**
 - a. Original or State Certified Birth Certificate; **or**
 - b. An American Legion Baseball ID card produced by Department Headquarters; **or**
 - c. A military ID, dependent ID, a US passport.
2. Signed copies of each Player's Emergency Information (**Form #2**).
3. Signed copies of applicable Player's **Form #76** or **Form #77**.

Failure to deliver the proper paperwork can disqualify a player and/or the team from competing in the regional tournament.

PLAYER ELIGIBILITY PROTESTS

Eligibility protests of players involved in national tournaments must be in writing and provide proof of ineligibility. They must be filed with the National Tournament Director at each tournament site (Department, Regional, and World Series) no later than 9:00 a.m. local time on the first day of the tournament involved, except when there is a discovery of a rule's violation. When a rules violation is discovered, the eligibility protest and a written description of the alleged violation must be filed immediately. (National Rule 9.D)

Should a player eligibility rule violation be discovered and confirmed after the first day deadline, that team manager/head coach in violation shall be suspended for the remainder of all post season tournament games.

All other protests concerning game situation shall be filed as specified in the Official Baseball Rules and National Rule #1.

GAME PROTESTS

Each tournament shall have a Tournament Rules and Protest Committee with at least three members. The Committee shall consist of the Tournament Director and two individuals, not affiliated with any team on the field. These members shall be appointed by the Tournament Director, who will chair the Committee. Protests will be handled and settled by the Tournament Rules and Protest Committee at the time they are lodged.

9. The American Legion does **NOT** permit courtesy runners during tournament play.

 - b. Pitch Count Rule 1.S. applies to suspended games.
11. In the case of rain, games may be moved to other locations at the discretion of the Tournament Director on site. **Note:** American Legion tournaments have a time limitation, and Tournament Directors must make every effort to complete tournaments on time. The Tournament Director has additional instructions for rain delayed tournaments.

15. The Tournament Director must approve all batboys or batgirls.
16. At Regional and World Series competition, the National Headquarters appoints the official scorekeeper. **No team is permitted to have a scorekeeper in the dugout unless that person is in uniform and listed on the National Team Roster.**
 - a. The only non-uniformed personnel permitted in the dugouts are certified medical trainers or a Legionnaire stationed in the dugout at the direction of the tournament director. Tournament Directors may, at their discretion, require the medical trainer provide a copy of their certification.
17. Once American Legion Baseball national tournaments begin (State Tournament through World Series play) no player can participate in another amateur baseball event. (National Rule 6.D.)

HOME/VISITORS DETERMINATION

To determine Home/Visitors for double elimination and pool play games 1 through 12:

1. A coin toss will determine Home/Visitors for all games. A daily coin flip will be conducted at the morning coaches meeting.

To determine Home/Visitors for double elimination games 13 and 14, and pool play semifinals:

1. The undefeated team in double elimination will have choice of Home/Visitors.
2. The divisional champion in each pool will have choice of Home/Visitors.

To determine Home/Visitors for double elimination and pool play championship game 15:

1. In double elimination play, a coin toss will determine the Home/Visitors.
2. If both semifinal winners are divisional champions, a coin toss will determine the Home/Visitors.
3. If both semifinal winners are divisional runner-ups, a coin toss will determine the Home/Visitors.
4. If teams are from the same division in semifinal games, the divisional champion will have the choice of Home/Visitors.

NATIONAL TOURNAMENT - ON FIELD CONDUCT

The umpires are instructed to monitor, promote, and enforce the following:

1. Only one on-deck batter will be out of the dugout. Other personnel are to remain in the dugout, bullpen, or coaches' box. Umpires are also instructed to keep players off the dirt around home plate after a home run.

2. Except for lengthy delays, the pitcher will be limited to five (5) warm-up throws between innings. (Official Baseball Rules)
3. When warming up a pitcher in the bullpen, the catcher (coach or player) must wear a mask and if needed, a third player must protect the bullpen from line drives and foul balls.
4. Shirrtails are to be tucked in.
5. Do not “charge” an umpire.
6. List the first and last names along with uniform numbers of all players, including non-starters, on the line-up cards.
7. The umpires are expected to keep the games moving at all times, so expect verbal encouragement from them.
8. Any player, coach, manager, or party accompanying a team may be ejected for the remainder of the game from the time of the rule infraction if they:
 - a. Use profane language in any manner.
 - b. Make any unnecessary gestures or comments in protesting an umpire’s decision. (Only the team manager or coach may ask for a clarification of a rule, but never argue.)
 - c. Throw bats or any other equipment.
 - d. Make unnecessary gestures or comments to fans, opposing players or coaches.

If an umpire ejects a player or a coach from the game, the ejected person shall be suspended for the remainder of the tournament, unless reinstated by the Tournament Director.

NATIONAL TOURNAMENT - CONDUCT OFF THE FIELD

1. All persons traveling with an American Legion Baseball team are expected to conduct themselves in a manner that will, at all times, reflect credit on their community, state, and the American Legion Baseball program.
 - a. Any player, manager, or team official, whose conduct may be considered detrimental or injurious to others, or the program, may be suspended for the remainder of the tournament and returned home by means of the first available transportation. A parent, coach or other team official will escort offending player home. The Department Baseball Chairman will be notified of such action.
 - b. If a team’s conduct creates an embarrassment to The American Legion, the Tournament Director has final authority to suspend the team and or the Team Manager for two or more games.
2. Team Manager/Head Coach will be required to house with their players at the host hotel as part of their team’s room block.
3. Team managers and coaches are responsible for player conduct at all times. Disrespect to facility staff and/or property, pushing, shoving or unnecessary playfulness in hotels, restaurants and other public areas will not be tolerated.

4. Teams are required to place a **security deposit of \$200.00** with the hotel. (A check, cash, or credit card is necessary.)
 - a. Any damaged or unclean rooms may cause their deposit to be forfeited. Hotel rooms are inspected prior to a team's arrival. Rooms are checked for damages and cleanliness prior to the team's departure. Discrepancies will be brought to the attention of the team manager.
5. Curfew will be 12:00 midnight, unless the team is involved in a late game, in which case the team will have two (2) hours after the completion of their game. Any player missing curfew may be sent home on the next available transportation at the discretion of the Tournament Director. Players must be always accounted for. Any player not with the team **OR** any player that must leave the immediate area must obtain prior permission from the Tournament Director. **(Teams must stay together and be under a coach's supervision.)** The team will travel as a group. A release/waiver form must be completed by the Tournament Director if a player wishes to depart the tournament site early or separate from the team.

PERSONAL APPEARANCE

1. While in uniform, team members are expected to keep as neat as possible. Shirts will be buttoned, zipped, and tucked in at waistline.
2. At the team orientation, each certified player and two coaches will be provided a souvenir shirt.
3. Dress Code: Tournament Hosts often host a banquet or picnic for players and coaches the first evening prior to tournament play. The banquet or pre-tournament picnic is the host's option. The dress code is typically casual; however, teams are required to have dress or golf shorts of an appropriate length and clean athletic shoes. Most teams will be instructed to wear their baseball jersey to the pre-tournament social or banquet.
4. While in street clothes, players are encouraged to dress in a manner that would reflect credit upon their team, sponsor, and their community and the American Legion Baseball program.

NATIONAL TOURNAMENT TIE BREAKER - Form #8

1. The American Legion is committed to giving each participating team an equal opportunity to win the tournament on the field. However, over the past nine decades we have experienced several game delays.
2. Rain, fog, hurricanes, power outages and other acts of God have required The American Legion and tournament personnel assigned to the tournament to take extraordinary measures to ensure teams are given equal opportunity.

3. It must be understood that there are times in which a champion cannot be crowned on the field because of the weather. If rain or other acts of Mother Nature cause a serious delay in a game(s) or tournament. The Tournament Director is authorized to:
 - a. Change the schedule and require teams to play games at a back-up facility.
 - b. Move the tournament to another community (and ballpark) to complete the tournament.
4. If for unforeseen reasons we cannot crown a champion on the field of play or determine a “pool” winner, The American Legion will determine the winner by the following formula:

If two teams remain:

1. Head-to-head competition between teams
2. Fewest runs allowed overall
3. Most runs scored overall
4. A coin flip.

If three or more teams remain:

1. Fewest runs allowed overall
2. Most runs scored overall
3. Coin flip (first “odd-man” out wins)

NOTE: No team will be required to play three games in a day. The 11:00 p.m. “start time” may be suspended if all teams agree in writing to waive the “start time.”

NATIONAL TOURNAMENT TEAM TRAVEL

The National Headquarters will arrange transportation for teams traveling to and from the Regional and World Series National Tournaments.

- a. The local tournament host is required to provide local transportation at the tournament. Questions concerning local transportation need to be directed to the local host committee.

NOTE: Several teams in the Midwest, Northwest and Western United States will be required to fly to a regional tournament site by commercial airline. **Due to the Federal Aviation Administration security alert**, team members are required to show and present a PHOTO ID at check in.

The American Legion annually purchases 500 airline tickets to fly players and coaches to Regional and World Series Tournaments. These airline tickets are nonrefundable and expensive. Tickets are purchased for those players from the housing list submitted following the completion of the state tournament. Unfortunately, The American Legion National Headquarters has purchased airline tickets for players who sometimes choose not to attend the tournament. **The American Legion will no longer absorb this cost. The team will be responsible to reimburse The American Legion for any unused airline ticket(s).**

1. **Team Travel – 60-mile policy:**

- a. Participating out-of-state teams that live **within 60 miles** of the Regional or World Series Tournament site may be authorized housing but will be required to provide their own transportation.
- b. Participating teams that are required to fly to a national regional tournament must provide their own transportation to the airport.
- c. Any team **within a 60-mile** radius of the airport shall provide their own transportation to and from the airport and the team will not be reimbursed for mileage.
- d. Any team **outside a 60-mile** radius of the airport shall provide their own transportation. However, the Tournament Director shall reimburse the team for mileage at \$1.50 per mile for a single round trip.

IMPORTANT NOTE: The American Legion will make every effort to return teams to the nearest major airport. **HOWEVER**, because many flights are often full it then becomes necessary to fly teams home to another nearby airport. Again, teams must make their own travel arrangements home from the airport

2. **Team Travel:** The National Office shall determine the nearest airport for departure. Because of the high cost of airline tickets flying from small regional airports, The National Office shall determine the most economical airport for the transportation of teams to and from a national tournament.
 - a. The National Office may utilize commercial buses for transportation to the national tournament sites (Regional and World Series). Any team that wishes to use their own team bus shall be reimbursed at \$3.00 per mile for a single round trip, if authorized by the National Office.
 - b. Each year, a few players must report directly to college from a national tournament. It is the parent's or legal guardian's responsibility to make transportation arrangements to the college.
 - c. National Headquarters is **NOT** responsible for team meals while traveling to or from the national tournament site.
3. Our liability insurance will not permit us to transport unauthorized team personnel. Only personnel listed on the National Team Roster, or those who have been approved by the National Headquarters, are permitted to be transported to the tournament site. Parents, batboys or batgirls, local Legion Officers, sponsors, scorekeepers, and wives etc., must make their own travel, housing, and meal arrangements. National Headquarters will not be financially obligated for any unauthorized personnel.
4. Meal allowances while at a national tournament will be:

Breakfast	\$6.00
Lunch	\$6.00
Dinner	\$6.00
5. The American Legion is not responsible for miscellaneous hotel charges such as movies, phone calls, meals, roll-a-way beds, etc. These charges will be the responsibility of the team.
6. **Airline Luggage Reimbursement Policy:** The American Legion's policy for checked luggage and carry-on bags is as follows:

- a. Team members can check up to **TWO BAGS** per coach (two coaches only) and player listed on National Form 1 Roster. Example: 13 players and 2 coaches – 30 pieces of luggage; 18 players and 2 coaches – 40 pieces of luggage).
- b. The team is financially responsible for equipment bags and overweight items and will not be reimbursed.
- c. It is the participant's responsibility to ensure that the luggage checked is within prescribed weight limits. The participant is responsible for paying any fee levied for their overweight bags. **Please be sure to get receipts and provide those receipts to the tournament director at your regional site.** Team will be reimbursed at the tournament site by the tournament director.
- d. It is the participant's responsibility to ascertain what is allowed as a carry-on and to pack accordingly. Baseball bats are never permitted as carry-on luggage.

AMERICAN LEGION FINANCIAL RESPONSIBILITY

The National Americanism Commission will arrange and be financially responsible for the certified players **listed on the National Team Roster** (not to exceed eighteen {18} players and two {2} adults traveling to and from national Regional and World Series tournaments).

- a. National Headquarters will be responsible for housing and meals while at the national tournaments (Regional and World Series).
- b. No substitutions of coaches are allowed, unless authorized by the National Office. Any substitute players, batboys/batgirls, official scorekeepers, or extra coaches traveling, collecting meal monies, or being housed at American Legion expense will disqualify your team from further competition.
- c. Teams are responsible for arranging additional accommodations, travel, and banquet tickets for the extra coaches, trainers, equipment managers, team scorers, batboys, or batgirls, etc.

RULES AND POLICIES AUTHORITY

In accordance with Resolution No. 7 of the National Executive Committee of the American Legion, May 2021, The American Legion reserves the right to temporarily amend, delay or suspend any established rule or policy of its national youth programs when a program is subject to the occurrence of a circumstance whose cause is beyond the control of The American Legion, thereby making it impossible, illegal, impracticable, or inadvisable for The American Legion to conduct a youth program in accordance with established rules or policies. You may read Resolution No. 7 in its entirety by [clicking here](#) or by accessing it from The American Legion Digital Archive at legion.org/archive.

Idaho Falls Post 56 pitcher Nate Rose delivers a pitch in Game 13 of the American Legion World Series between Idaho Falls, Idaho, and Tupelo, Miss., at Keeter Stadium in Shelby, North Carolina, on Aug. 16, 2021.

George W. Rulon American Legion Player Of The Year

For over 25 years, George W. Rulon was the heart and soul of the American Legion Baseball program. For his dedicated and loyal service to the program, the American Legion Baseball Player Of The Year award has been named in his honor.

The announcement came from American Legion National Commander Dale L. Renaud in a surprise presentation during the pre-tournament Banquet of Champions prior to the 1986 American Legion World Series in Rapid City, South Dakota.

Rulon was very much surprised and somewhat emotional but not to those who follow youth baseball. It was a fitting tribute and honor to Rulon for a program he faithfully directed for a quarter century. Rulon died in January 1989, but his memory remains strong in the program he loved.

The yearly recipient of the George W. Rulon American Legion Player of the Year annually visits the Baseball Hall of Fame in Cooperstown, N.Y. The player is honored in pre-game ceremonies at the Hall of Fame's Classic game at Cooperstown's Doubleday Field.

The selection of the Rulon award is made on the basis of playing ability, integrity, attitude, cooperation, citizenship, sportsmanship and general good conduct. The ALWS all-tournament committee selects the Rulon award from its all-tournament team members.

The 2021 recipient was Nate Rose, shortstop/pitcher from Idaho Falls (Idaho) Post 56. Rose batted .529 in the 2021 ALWS and was 1-0 as a pitcher as the Bandits became the sixth team to win consecutive ALWS titles.

The finals matched unbeaten teams with Yonkers prevailing. Major League baseball commissioner Judge K. M. Landis was in attendance of 3,000 in Sesquicentennial Stadium.

Jack 'Babe' McCormick was the hero of the tournament going 7-for-12 and a .583 average. Yonkers banged out 17 hits with McCormick hitting a home run (third in the Series).

Joining Yonkers and Pocatello in the tournament were El Dorado KN and Springfield OH.

52,000 boys participated in the Legion's first year of national competition.

1927

There was no national tournament in 1927 although Legion Baseball continued on local level.

1928 – Oakland CA Post 5

CHICAGO IL – Oakland CA Post 5 capped an undefeated season as the Golden State champion swept Worcester MA, 2-games-to-0 to win the American Legion World Series championship.

Coach Leroy Sharpe's chargers dominated rivals all season, outscoring opponents, 186-6 including 14 shutout victories.

Charles Hardt and Al Silva shared pitching duties. Hardt, a hard throwing southpaw won a record six games in national competition and allowed only three runs in 77 innings. Silva gave up just two runs in 67 innings.

Oakland's hitting star was third baseman Einar Sorensen. He hit .422 during the season and .500 in the Series. He went 3-for-4 in

the championship game as Oakland ended its all winning season at 19-0.

1929 – Buffalo NY Post 721

LOUISVILLE KY – Credit team captain Bill Joyce for winning the 1929 American Legion World Series for Buffalo NY Post 721.

The multi-talented athlete led the Bisons to a 2-game-to-1 series triumph over the New Orleans White Sox. He tossed a complete game victory on opening day and then came back to win the third and deciding game. He was a big hit offensively also going 2-for-5 in the championship game.

He went 14-0 on the season and a recording setting 6-0 in national competition as Buffalo finished at 25-1. The only setback was New Orleans game two win, 16-9. New Orleans set a record with 20 hits in that game.

Baseball commissioner Judge Kenesaw Landis praised the play of the Bisons in the post-game awards.

1930 – Baltimore MD Post 81

MEMPHIS TN – Baltimore MD Post 81 swept New Orleans LA to win the ALWS 2-games-to-0 at Russwood Park.

It was another disappoint for New Orleans as the Crescent City entry finished second for the second consecutive season.

Baltimore won the open in 10 innings, 5-4 pushing across the winning run on a squeeze bunt by Bill Stiner. He laid down a perfect bunt scoring Andy Bolognese.

In the finals, Herbert Newberg and Norman Weiner each picked up three RBI and two hits to give Clarence Koslowski the victory on the mound.

1932 – New Orleans LA Post 132

MANCHESTER NH – New Orleans, twice the bridesmaid but never the bride, finally broke into the winners circle claiming the 1932 American Legion World Series title.

The Zatarain Papooses from Post 132 rallied twice edging Springfield MA, 2-games-to-1. One game ended in a tie.

It was first or nothing for captain Jimmy Fraiche as the spunky little shortstop played flawless on defense and was a big hit at the plate to earn instant hero status in New Orleans.

In the championship, Fraiche singled home the winning run with a two-out ninth inning rally.

The entire series was marked with close games including the Series first time game in history, 5-5 in 12 innings.

1931 – South Chicago IL Post 493

HOUSTON TX – The championship game of the 1931 American Legion World Series will always go down in the books as “the classic game” with South Chicago IL Post 493 defeating Columbia SC.

The Illini won the series 2-games-to-0.

The “classic game” in the championship finale pitted So. Chicago’s Al Lawler and Columbia’s Kirby Higbe.

The old fashion pitching duel lasted 14 innings and when the dust had settled, Lawler prevailed, 1-0. He fanned a tournament record 17 strikeouts while Higbe fanned 10.

Wally Hollem scored the game’s lone run in top of the 14th. It would be another 87 years until another championship thriller would end in 1-0 game (2018).

1933 – Chicago IL Post 467

NEW ORLEANS LA – Future Major Leaguer Phil Cavaretta led Chicago IL Post 467 to the American Legion World Series title.

Chicago swept Trenton NJ, 2-games-to-0.

Cavarretta won the series opener with a complete game 14-5 victory and then came back in relief to win the championship game, 7-6.

He fanned five and gave up just one him in the finals.

Dan Krause scored from first in the bottom of the ninth on a Ted Swed’s two-out single off the rightfield wall. Swed’s winning blast came on a 0-2 count.

1934 – Cumberland MD Post 13

CHICAGO IL – Cumberland MD Post 13 rallied from a 1-0 series deficit to beat New Orleans, 2-games-to-1 for the 1934 American Legion World Series.

Chicago's Major League ballparks – Wrigley Field, home of the Cubs and Comiskey Park, home of the White Sox served hosts to the ALWS.

New Orleans won the opener at Comiskey Park followed by a win by Cumberland at Wrigley Field.

Back at Comiskey Park for the deciding game, Cumberland's Roland Triplett went the distance handcuffing New Orleans, 6-1. He fanned nine and tossed a three-hitter.

Team captain Charley Clark, the series top hitter had two hits including a triple and scored twice.

1935 – Gastonia NC Post 23

GASTONIA NC – Gastonia NC Post 23 gave its hometown fans something to cheer about as they became the first team to win the American Legion World Series while playing on home turf.

The Eastern Sectional champions swept the Western champion San Diego CA, 3-games-to-0.

The Series format switched from the best-of-three to best-of-five in 1935 and the site would be at either the home of the eastern or western winner.

13,000 fans attended the clincher as Gastonia won 12-8 behind 16-hit attack.

28,900 fans attended the series.

1936 – Spartanburg SC Post 28

Home-standing Spartanburg SC Post 28 beating visiting Los Angeles CA, 3-games-to-2.

The championship game at Duncan Park was played before a record crowd of 20,000 mostly partisan fans.

Pepper Martin (three hits) and Pete Fowler (three RBI) propelled Spartanburg to the 8-1 victory.

Four Spartans hit over .500 in national competition. Fowler hit .550 while Martin, Pedro Mahaffey and Roy Prince each hit .500. The team blistered opponents with a .317 average.

1937 – East Lynn MA Post 291

NEW ORLEANS LA – Domination was the word during the 1937 American Legion World Series as East Lynn MA Post 291 swept home standing New Orleans LA, 3-games-to-0.

The eastern champion made it simple outscoring the western champion, 30-6.

The series clincher was a 13-5 victory in which East Lynn collected 17 hits. 8,438 fans in Heinman Park watched in disbelief.

Ray Bessom was the hitting and pitching star for the winners. He hit .555 in the tournament.

On the mound, he picked up victories in the games one and two in the series and came back in the championship game to register a save. He fanned 55 in national competition and finished the season at 28-0.

East Lynn sported a near perfect 38-1 record on the season.

With the loss, New Orleans record in the World Series stands at 1-4 having won in 1932 and finished second in 1929, 1930, 1934 and 1937.

1938 – San Diego CA Post 6

SPARTANBURG SC – San Diego CA Post 6 returned the American Legion World Series title back to sunny California for the first time since 1928 as the Golden State champions slipped past host Spartanburg SC.

The series was the most evenly matched in ALWS history. San Diego won 3-games-to-2 with one tie (the second in series history).

The opener lasted 14 innings (longest in ALWS history) and settled absolutely nothing as the teams battled to 8-8 tie.

With the series knotted at 2-2, the championship game featured a pitching duel between San Diego's Chet Kehn (10 strikeouts and four hits allowed) and Spartanburg's Charlie Cudd (seven strikeouts and no walks).

Fernando Paredes' two RBI single gave San Diego the edge and the victory. Kehn, a lanky right-hander retired the final eight batters to secure the title.

1939 – Omaha NE Post 1

OMAHA NE – Omaha NE Post 1 became the third team since 1935 to win the American Legion World Series while playing at home.

The Nebraskans methodically rolled over visiting Berwyn IL, 3-games-to-1.

Bud Blessie was the pitching star going 5-0 in national play. He posted a pair of victories in the series.

Berwyn's Eddie Goralski led the series in hitting with a nifty 8-for-16 .500 average.

12,800 in Fontenelle Park saw the finals with Omaha prevailing 6-2.

1940 – Albemarle NC Post 76

ALBEMARLE NC – In one of the greatest comebacks in sports, Albemarle NC Post 76 won the 1940 American Legion World Series beating long time power San Diego, 3-games-to-2.

And they did it the hard way. Albemarle lost the first two games but roared back to win the fifth and deciding game before a happy home gathering.

The eastern champion Albemarle had to squelch a ninth inning rally to preserve the victory.

The final out was made on an attempted squeeze play. Albemarle catcher Hoyle Boger called for a pitchout. The call was right as a surprised San Diego runner was nailed down at the plate.

J.W. 'Lefty' Lisk picked up his 22nd victory of the season in the championship game. Teammate Clyde Dick hit .452 in the national competition as Albemarle ended its most successful season at 31-7.

1941 – San Diego CA Post 6

SAN DIEGO CA – Bouncing back from the disaster of 1940, San Diego CA Post 6 shutdown Berwyn IL, 3-games-to-0 to win the American Legion World Series championship.

By erasing the pain of 1940, San Diego's victory marked the first time a team has won two ALWS crowns. San Diego also won the 1938 championship.

The San Diego success was mainly attributed to the pitching and fielding of Bob Usher.

Usher picked up the victory in game one limiting the visitors to three hits via an 8-0 shutout. He came back with his defensive skills during game two with a diving game ending (and game saving) catch in the ninth inning with the bases loaded to preserve a 1-0 victory.

1942 – Los Angeles CA Post 357

MANCHESTER NH – California laid claim to baseball supremacy in amateur baseball ranks during 1942 as Los Angeles CA Post 357 won the American Legion World Series, 3-games-to-0 over host Manchester NH.

It was California's second straight national title and fourth in Legion in history.

Bob Moore, a 6-0 hard throwing pitcher mastered the eastern champions on four hits in the championship game. He fanned seven and walked one.

Pitching was Los Angeles' strongpoint as Dan Brown and Tom Radcliff joined Moore with complete game victories in the series.

1943 – Richfield MN Post 435

MILES CITY MT – A new format and a new champion was introduced to American Legion baseball fans during the 1943 season.

The new format called for a double-elimination tournament between all sectional champions.

In the inauguration event, Richfield MN outlasted four opponents to win the title. The championship game saw Richfield beat Springfield OH, 3-2 before 4,000.

1944 – Cincinnati OH Post 50

MINNEAPOLIS MN – Cincinnati OH won the first of a record seven national championships during the 1944 American Legion World Series as Post 50 coached by veteran Joe Hawk beat Albemarle NC, 3-2.

Ralph Kraus used his pitching and hitting in the championship victory. As a pitcher, he fanned four and scattered nine hits in the complete game win. At the plate, he contributed offensively going 2-for-4.

Albemarle did not go away easy by forcing a second championship game beating previously unbeaten Cincinnati in the double-elimination series.

1945 – Shelby NC Post 82

CHARLOTTE NC – Playing in front of a home state friendly crowd, upstart Shelby NC Post 82 upended pre-tourney favorite Trenton NJ, 4-2 to capture the American Legion World Series championship.

Shelby swept through the double-elimination tournament unbeaten (3-0).

Shelby capitalized on five Trenton errors in a come-from-behind victory.

Harry McKee, the ace of the staff picked up the win and limited Trenton to four hits.

Shelby's Boots Kent pitched nine innings of no-hit ball against Oak Park IL only to lose the gem and shutout in the 10th inning. Kent settled for a 2-1 extra inning win.

1946 – New Orleans LA Post 125

CHARLESTON SC – New Orleans LA Post 125 used a brilliant pitching performance from Gus Riordan to capture the 1946 American Legion World Series championship.

Looking nothing like a champion on opening night, the Jesuit High School Blue Jays were shutout. Facing an early exit from the double-elimination tourney, New Orleans got on track and won four straight including a pair of victories over pre-tournament favorite Trenton NJ.

In the finals, Riordan mastered Trenton giving up two hits and fanned six in the 3-1 victory.

It was New Orleans second ALWS title matching San Diego with two as the most in Legion Baseball.

1947 – Cincinnati OH Post 50

LOS ANGELES CA – Cincinnati OH Post 50 joined an elite club by capturing the 1947 American Legion World Series.

With the win, Coach Joe Hawk's club joins New Orleans and San Diego as the only two-time ALWS champions.

And it is Hawks' second national title as coach.

Cincinnati went unbeaten in the series and clinched the title with a 3-2 victory over Little Rock AR.

George Moeller, a centerfielder/pitcher won the batting crown going 20-for-40 and .500 average during national competition.

1948 – Trenton NJ Post 93

INDIANAPOLIS IN – For 17 seasons, Trenton NJ Post 93 had one goal: the American Legion World Series championship.

Finally, after three runner-up finishes when favored each time, Trenton marched into the winner's circle by winning the 1948 crown.

The eastern regional and sectional champions were led by Don Minnick, a lanky slingshot of a pitcher. He pitched the championship game with a 4-1 win against Jacksonville FL.

Minnick was matched with Leon Millington to give Trenton a powerful 1-2 punch on the mound.

The two limited opponents to four runs and 18 hits in the series.

1949 – Oakland CA Post 337

OMAHA NE – Playing in the American Legion World Series for the first time since 1928, Oakland CA Post 337 won the 1949 championship in newly constructed Municipal Stadium in Omaha.

45,358 showed up in the new ballpark as Oakland knocked off Cincinnati OH in the finals, 8-6.

Captain and shortstop Ray Herrera was selected as the first recipient of the American Legion Player of the Year.

Teammate J.W. Porter claimed the batting title with a .551 clip going 27-for-49 in national play.

The championship game featured a trip that started with Herrera that ignited Oakland's drive to the title.

1950 – Oakland CA Post 337

OMAHA NE – Powerful Oakland CA Post 337 steamrolled over all opposition to win its second straight American Legion World Series championship.

It marked the first time in Legion history that a team had won back-to-back national crowns and it gave Oakland a record third national title (1928-1949-1950).

Oakland's all-star catcher J.W. Porter set national records as well.

The Player of the Year retained the Louisville Slugger award with his batting average ranked highest in national play.

His three-hit outburst in the finals led Oakland to an 11-0 rout of St. Louis while pitcher Vern Killburg limited St. Louis to four hits while picking up the shutout.

1951 – Los Angeles CA Post 715

DETROIT MI – Los Angeles CA Post 715 kept the American Legion World Series championship in California for the third straight year with an 11-7 victory over White Plains NY.

Detroit's Tiger Stadium was the site of the tourney that saw future Baseball Hall of Fame inductee in the lineup. A spunky California player named Sparky Anderson played for the winners.

Anderson would return many years later to lead the Tigers to a Major League World Series as manager. He also won a World Series crown while leading the Cincinnati Red during the mid-1970s.

Individual honors during the ALWS went to White Plains' Grover Jones. He was picked as the American Legion Player Of The Year while hitting .408.

1952 – Cincinnati OH Post 50

DENVER CO – Cincinnati OH Post 50 won a record 53 games in 1952 and joined Oakland CA in the American Legion record book by winning its third ALWS championship.

Crafty coach Joe Hawk's troops nipped San Diego CA, 5-2 in the championship game on a night that was more suited for football or ice hockey. Game time temperature hovered at the 42 degree level and got lower as the game progressed.

Cincinnati's Russell Nixon claimed top honors as the American Legion Player Of The Year recipient. San Diego's centerfielder Horace Tucker won the batting honors with a .452 clip in national competition.

1953 – Yakima WA 36

MIAMI FL – Yakima WA Post 36 gave the American northwest region its first national championship with a 4-1 victory over Winnetka IL.

Tom Gibson fired a three-hitter in the finals as well as picking up three RBI on two hits as a hitter. It was Gibson's second victory in three days against runner-up Winnetka. He tossed a five-hit complete game victory over the Illinois champions earlier in the tournament.

Versatile Chuck Linstrom of Winnetka was selected as the American Legion Player Of The Year. Linstrom won a pair of games as a pitcher and played well defensively at second base.

1954 – San Diego CA Post 492

YAKIMA WA – Call them the "Cinderella team" or "a team of destiny" but whatever you call them, please include the following: 1954 American Legion World Series champions.

San Diego CA Post 492 rallied from an opening day setback to win out from the elimination bracket to capture the national championship.

The Southern California champions clipped Gastonia NC twice to win the crown. The first match up lasted 11 innings with San Diego prevailing 3-2. In the finals, San Diego scored seven runs over the first three innings and cruised to a 7-2 championship victory.

Lawrence Elliott's two RBI single with the bases loaded was all Ron Wilkins needed as the big lefthander fanned 11. Wilkins entered the game as reliever in the first inning after two batters.

1955 – Cincinnati OH Post 216

ST. PAUL MN – The city of Cincinnati won its fourth American Legion World Series as Post 216 downed Washington DC, 10-4 in the finals.

With the win, Cincinnati moved ahead of San Diego CA and Oakland CA for the most ALWS titles.

Bill Beck's victory over Washington in the finals was sweet revenge. Beck was beaten by that same team on opening day. In the championship game, he fanned 15 and limited Washington to five hits.

Third baseman Frank Birri was picked as the American Legion Player Of The Year as Cincinnati closed its record setting championship season at 36-4.

1956 – St. Louis MO 245

BISMARCK ND – Hard throwing Bob Miller picked up six victories in national competition including three at the World Series as St. Louis MO Post 245 battled opponents and Mother Nature along the way to the national championship.

The double-elimination tournament was a grueling affair for all teams but the two days of postponement and near freezing playing conditions didn't stop the Missourians.

Miller opened the tourney with a 10-0 shutout of Roseburg OR and then handed powerful New Orleans LA a pair of setbacks (winning 7-3 and 8-3). In the championship game against New Orleans he fanned six to raise his national record at 6-0 with 40 strikeouts.

Teammate Lawrence Goudy led all hitters with a .449 average.

1957 – Cincinnati OH Post 50

BILLINGS MT – Cincinnati OH picked up its fifth American Legion World Series championship as Post 50 overcame a stubborn Portland OR club, 10-6 in the finals.

Cincinnati, undefeated in the double-elimination tournament, edged Portland twice to win the title as Coach Joe Hawk's charges added another national title to Cincinnati's record number of Legion crowns.

Pitching was the key as Hawk used three complete game victories by Scott Seger, Jerry Drew and Tom Tietmeyer.

Tom Weber, who got a key three-run double in the eighth inning of the championship game, led the tourney in hitting with a .412 average.

Fred Fox, the American Legion Player Of The Year excelled on defense throughout the tournament as he assisted on a triple play. It was the ALWS' second triple play in tournament history.

1958 – Cincinnati OH Post 50

COLORADO SPRINGS CO – For 21 seasons, Joe Hawk coached Cincinnati OH Post 50 to many championships but the one team, the one season he might remember the most was the 1958 club that produced a second straight ALWS.

For starters, the championship was the first back-to-back national titles in the ALWS since Oakland turned the trick in 1949-50. And secondly, Hawk had to rebuild his club from the ground up. Only five players returned for action from his 1957 national championship club.

Southpaw Scott Seger tossed two complete game victories including the 12-1 rout of Everett MA in the championship.

1959 – Detroit MI Post 187

HASTINGS NE – Sparked by the all-around play of 5-6 shortstop Fred Bowen, Detroit MI Post 187 won the American Legion World Series championship.

The Michigan champion had to overcome an opening day setback to advance through the elimination round to win the title. It was a remake of regional and sectional playoffs as Detroit rebounded in both of those tournaments after early round losses to come back and win.

Detroit won the title with a pair of victories over previously unbeaten Hampton VA winning 5-3 and 11-4.

1960 – New Orleans LA Post 125

HASTINGS NE – Increasing the tournament field from four to eight regional champions did little to hamper New Orleans LA Post 125 in its quest for the American Legion World Series championship.

The Crescent City entry whipped pre-tournament favorite Billings MT in the finals, 9-3. The ALWS title was New Orleans' third since 1932.

1961 – Phoenix AZ Post 1

HASTINGS NE – Phoenix AZ, a newcomer to the American Legion World Series, taught tourney veteran Cincinnati OH a lesson in baseball to win the 1961 title.

Coming out of the elimination round, Phoenix Post 1 edged Cincinnati twice, 2-0 and 4-1 in claiming the crown. Back-to-back triples in the eighth inning by Gary Wolf and Larry Martin broke open a tight championship showdown and lifted the Westerners to the title.

Phoenix pitcher Dan Dwingle struggled early against Cincinnati with seven walks but came on strong and finished with a pair of strikeouts to end the game with 10.

Cincinnati's James Gruber was selected as the American Legion Player Of The Year.

Also, during the 1961 tourney, George W. Rulon began his leadership role as head of the American Legion national baseball program. He would hold that position with the Legion until his retirement in 1986.

1962 – St. Louis MO Post 299

BISMARCK ND – St. Louis MO Post 299 handed Honolulu HI its only losses of the season in winning the American Legion World Series.

It was a return to glory for St. Louis as the Missourians and the Legion tournament returned to Bismarck. It was in Bismarck at the 1956 ALWS that St. Louis won its first Legion championship.

In the finals, St. Louis exploded for seven runs in a wild seventh inning. Jerry Mueller limited Hawaii to four hits.

Offensively, Dennis Horton hit a home run and a single while teammate Harold Wetich added a pair of doubles and a single.

1963 – Long Beach CA Post 27

KEENE NH – Long Beach CA Post 27 returned the American Legion World Series championship to the west coast for the first time since 1954 as the Southern California representative sailed through the tournament unbeaten.

Long Beach upset unbeaten and tournament favorite Memphis TN Post 1 twice to claim the title.

Dick Dash, Long Beach's hustling second baseman, who played an error-free tournament and hit .343, was chosen as the American Legion Player Of The Year.

In the classic championship game, Boyertown defended its title gamely with an early 4-0 lead and looked as though a repeat title was in reach. The on-charging Edina team cut the lead to 4-3 with a three run outburst in the eighth inning.

Then came the unexpected.

Edina scored the winning runs in the top of the ninth when Boyertown outfielders collided on a routine fly ball.

Unbeaten Rob Wassenaar (12-0) came on in the ninth and fanned the final batter to give Edina the national championship.

The Floridians blistered opponents pitching to the tune of a .347 team batting average.

The Region Three and three-time Maryland state champion entered the American Legion World Series in Corvallis with a remarkable 66-6 overall record and had outscored its regional tournament opponents, 68-13.

With those stats, no one argued that Mayo was the pre-tourney favorite. But the winning wasn't easy.

It took Mayo three come-from-behind victories and a team effort to do it.

The final comeback came on championship day with a 7-6 victory over Bayamon PR.

Mayo scored runs in the seventh, eighth and ninth for the wins.

Mark Foster picked up the victory against Bayamon on the mound as well as being productive at the plate going 2-for-4 and 3 RBI. He was selected as the American Legion Player Of The Year.

1993 – Rapid City SD Post 22

ROSEBURG OR – Rapid City SD Post 22 had all the qualifications of a champion.

Their stats were impressive. The record entering the American Legion World Series stood at 66-4. They won the state and regional titles and produced a lineup that would be the envy of any coach anywhere.

But they were not “pre-tournament favorites” according to media, scouts and college coaches covering the tournament. The favorites were Las Vegas NV and Fairfield CA.

In the end, however, it was Rapid City standing alone atop the standings as 1993 American Legion World Series champions.

Manager Dave Ploof and coach Steve Wolff relied on a balanced team effort that had a fine mixture of both offense and defense.

The attendance of 38,836 set a tournament record under the current 8-team tournament format that started in 1960. It broke their own record set in 1993 with 34,306.

1997 – Sanford FL Post 53

RAPID CITY SD – A Hollywood writer could not have written a better script for the 1998 American Legion World Series staged at Fitzgerald Stadium. It was a scene right out of an old western shoot'em up movie.

There were fireworks galore. There was even a stampede on the record book.

When the dust had settled, Sanford FL Post 53 had the championship in hand by beating Medford OR, 11-8 in a title game that was shortened by Legion officials due to incoming inclement weather. It marked the first time a championship game did not go the standard nine innings.

In the finale, Tim Raines, son of Major League standout Tim Raines Sr., sparked a rally that saw Sanford erase a 8-2 deficit with a seven-run sixth inning explosion. Raines, junior that is, belted a pair of home runs to tie the ALWS record in leading the come-from-behind.

Sanford ended the season at 48-13.

The tournament was a wild one from start to finish as 19 records were broken or tied. Among the most notable were runs scored in the series (273) and fewest shutouts (0). The offensive record surpassed the old record of 222 that was also set in Rapid City. The no-shutout figure tied the record set in 1978, 1980 and 1984.

Although the tournament will always be known as the shootout out west, one notable defensive play was made by Bristol's Mike Rose. Rose made an excellent diving catch while crashing into the right field wall to preserve Bristol's 3-2 victory over Tulsa OK.

1998 – Edwardsville IL Post 199

LAS VEGAS NV – Beating the odds is very difficult. Especially in a city like Las Vegas. But Edwardsville IL Post 199 did it and the reward was the 1998 American Legion World Series championship.

In an all-new, Olympic-type tournament format, Edwardsville overcame a scrappy Cherryville NC Post 100 club, 9-4 in the finals.

Opel, the recipient of the George W. Rulon American Legion Player Of The Year, led the parade of stars. Opel

became only the third player in ALWS history to hit over .600 in national competition. He hit .632 (second only to Doug Palmer of New Ulm MN in 1978) and played brilliantly at shortstop.

The 22,000 plus fans in Las Vegas' Cashman Field (home of the Class AAA Pacific Coast League Las Vegas Stars) saw the tournament switch from the conventional 15-game double elimination tournament to a two division 15-game affair. The top two clubs in each division would square off in semifinal action after three days of round-robin divisional play. In a category normally reserved for California teams, New Jersey sent two representatives to the American Legion World Series. Coach Joe Barth's Brooklawn team made its record-tying third straight appearance in the 2000 tourney while Hamilton Square, New Jersey played in its first ALWS. California and Minnesota are the only other states to send two teams to the ALWS in the same year.

2001 – Brooklawn NJ Post 72

YAKIMA WA – Played under ideal weather in this beautiful northwest Washington community (and Apple capital of the world), the 2001 American Legion World Series will go down in the books as a tournament filled with anniversaries, awards, record-setting performances.

For starters, the 2001 tournament was the 75th anniversary of the American Legion World Series (76th year of American Legion baseball). Then, Brooklawn's longtime coach Joe Barth celebrated his 50th season in Legion Baseball.

Thirteen records were broken or tied during the five-day run including Brooklawn's string of four consecutive trips to the ALWS and team captain Mike Rucci's fourth straight appearance in ALWS by an individual player.

Brooklawn produced an amazing five come-from-behind victories

The semifinal rally was a classic. Or at least it was for the Brooklawn faithful as Barth's chargers erased an 8-5 Omaha NE lead with four runs with two outs in the ninth inning.

In the championship finale against Lewiston ID, Rucci capped a brilliant four-year Legion career with a two-run sixth inning home run to break a 2-all tie to send Brooklawn past Lewiston, 5-2 in front of 2,688 fans at historic Parker Field.

Rucci was selected as the American Legion Player Of The Year. Rucci hit .410 in national competition going 16-for-39. He picked up 12 RBI and 25 total bases.

While Brooklawn was stealing the spotlight with its championship play and record-setting achievements other standout performances were also recorded.

2002 – West Point MS Post 212

DANVILLE VA – The heat was intense and the rain was annoying but in the end, West Point, Miss. Post 212 survived both to win the 2002 American Legion World Series. It was Mississippi's first national championship in Legion Baseball.

The five-day tourney was overshadowed by the weather. The three days of pool play saw scorching heat and high humidity while the semifinals and championship was plagued by rain. In fact, Legion officials were searching as far west as West Virginia and far south as South Carolina for a possible alternate site the morning of the championship game.

The Series opening ceremonies was very hot and humid day as several players were overcome by the heat but for West Point, it was a typical day on the ball field. Mississippi like southern Virginia has the same summer-type hot, humid weather.

While the weather wasn't its best, West Point's Josh Johnson was.

In the championship game, against Excelsior, MN, Johnson scattered seven hits, walked two and fanned 11 in the 4-0 shutout victory. He also contributed offensively with an RBI sacrifice fly.

Johnson, a pitcher-third baseman played near perfect baseball throughout the tournament and was picked as the recipient of Most Valuable Player award. He was flawless on defense as a third baseman and hit .469 in national competition (fourth best in individual batting).

The usual on-the-field post-championship game awards ceremony was moved indoors to the local American Legion Post home as rain intensified from light showers to near-heavy downfall at game's end. Coach Frank Portero's club finished its championship season with a 47-13 record.

2003 – Rochester MN Post 92

BARTLESVILLE OK – Rochester MN Post 92 withstood a scorching Oklahoma heat wave to capture the 2003 American Legion World Series crown.

It was Minnesota's fourth national title.

Temperatures in Bartlesville reached 100 or more during each day of the five-day tournament equaling a record for heat set in Las Vegas during 1998.

Rochester's national championship game victory over Cherryville NC Post 100, 5-2 before 2,990 at Bill Doenges Memorial Stadium capped a banner season for Coach Keith Kangas and his team. The team won the state high school championship, the state Legion crown, the Region Six Central Plains title and the World Series. Their record was a sparkling 52-5.

Twenty-four records were either broken or tied.

Cherryville's all-purpose athlete Chris Mason set one record and tied another. As a hitter, he belted a pair of home runs in one game tying a record but his expertise was pitching. He established a ALWS record with 69 strikeouts. In the ALWS, he had 10-or-more strikeouts in the two starts and one relief appearance. He was 5-0 in national competition and was tabbed as the MVP of the Series.

2004 – Portland ME

**2004 American Legion National Champions
Nova Seafood, Portland, ME**

CORVALLIS OR – Tabbed as the “most likely” team NOT to win the American Legion World Series, Portland (Nova Seafood) Maine used a mixture of key hitting, defense and nearly perfect pitching to capture the 2004 championship. The championship was Maine's first and the first time for New England since East Lynn MA turned the trick in 1937.

Portland's championship game was a masterful job in pitching as starter Mike Powers shutdown a powerful Kennewick WA club, 2-0. He allowed only one hit and fanned seven in eight innings worked. Ryan Reid, the tourney's top strikeout artist picked up the save in the ninth striking out the sides.

Portland's Scott Brown was the Series MVP. He hit .417 going 20-for-48 with 10 runs scored and 14 RBI. He was also 1-0 with 1 save in national competition.

Reid went 5-0 and one save and a 1.27 ERA with 29 strikeouts.

With three teams remaining, Nova won an exciting 4-3, 10-inning victory over Boyertown eliminating the Legion powerhouse from Pennsylvania. Ryan Piacentini scored on Brown's RBI single in the bottom of the tenth. Brown also picked up the victory in relief striking out two in two innings pitched.

Deland FL completed the ALWS's sixth triple play.

2005 – Enid OK Post 4

RAPID CITY SD – In a bizarre ending to an extraordinary tournament, Enid, Oklahoma Post 4 captured the 2005 American Legion World Series.

The Majors won America's premier youth baseball championship in a very unusual way. It wasn't a walk-off home run or bases loaded walk or even by an miscued error. Enid won the title with a two-out bases loaded balkin the bottom of the ninth inning over Twin Cities of Pasco, Washington.

The score was 7-6 and was played before a packed house of 3,116 in Rapid City's Fitzgerald Stadium.

Zac Berg earned the George Rulon American Legion Player of the Year award while Seng (who became the first player in a dozen years to steal home) was selected as the James F. Daniel Sportsmanship Award recipient.

In the finale, Enid jumped off to an early lead by scoring six runs in the third inning including five runs scored after two outs.

Washington mounted a comeback to tie the game in the eight to setup the unexpected ninth inning.

With the bases loaded and two outs, Pasco pitcher Jeremy Stumetz made a false attempt at first and all six umpires called balk an Tyler Fleming skipped home with the winning run and national championship.

Enid ended their successful season at 61-11.

Attendance was a sparkling 28,058 in Rapid City. It was most since 1996 in Roseburg, Oregon.

Rapid City earned a spot in the tournament field and became the eighth team to play in the Series at home.

2006 – Metairie LA Post 175

CEDAR RAPIDS, IA – Pre-tournament favorite Metairie LA Post 175 sparked by tourney MVP Mike Liberto won the 2006 American Legion World Series with a multiple come-from-behind effort victories.

Champion Metairie and runner-up Terre Haute played three times in the Series with Terre Haute winning on opening day and Metairie bouncing back to win a “must win or go home” game and then winning the finale.

During the three come-from-behind wins, Metairie executed to perfection a triple steal against Midlothian VA. It came in the sixth inning when Kevin Weidenbacher stole second, Tyler Koelling stole third and Brett Accardo stole home.

In the championship game, Metairie rallied in the eighth inning to forge ahead 6-4 and in the ninth inning with the tying run at the plate, the Metairie defense ended the game

with a 3-6-3 double play and the title.

Metairie (a suburb of New Orleans) finished the season at 45-7 and with the title, gave the Crescent City four American Legion World Series titles. Other titles came in 1932, 1946 and 1960.

2007 – Columbia TN Post 19

BARTLESVILLE, OK – While the focus was on the home runs flying out of Doenges Memorial Stadium in record numbers, Columbia TN Post 19 went about its business of winning the American Legion World Series championship.

The Region Three champions brought home to Tennessee the national championship for the first time since Memphis captured the 1968 crown.

Columbia's first two outings in the Series resulted in walk-off home runs for victories. The first was three-run shot in the bottom of the ninth inning by Chris Lovett to give Columbia a 7-4 win over Rockport IN.

In Columbia's second outing, Cody Pomeroy's solo home run in the bottom of the 11th inning propelled the winners to a 9-8 victory over Branford CT.

Columbia bounced Eden Prairie MN in the finals 11-4.

For the home runs, Tucson AZ set or tied home runs in national competition and home runs in a game with designated hitter Marc Damon's 3 homers breaking an 81-year-old record.

And for the record, the ALWS saw a record 46 round-trippers fly out of the Bartlesville ballpark. And, the Series saw at each one home run hit in 14-of-15 games played.

Pitching had its moment in the Series too. Although the Series produced no shutouts, fans did witness the Series' 11th all-time one-hit complete game pitching performance. And it came from Tucson's Chris Moon. He fanned 10 and walked two in beating Bryant AR, 6-1. The lone hit came in the form of a pinch-hit solo home run by Kaleb Jobe in the sixth inning.

Columbia finished its outstanding season with a 57-11 record.

2008 – Las Vegas NV (Gorman) Post 76

SHELBY, NC – Las Vegas NV Post 76 (Bishop Gorman) won a record 75 games during the 2008 season with victory number 75 coming in the championship game of the 2008 American Legion World Series.

Pitcher/first baseman Jeff Malm was perfect and earned the tourney's MVP award. He was perfect on the mound logging a 0.00 ERA in national competition and posted a 1-0 record with five saves. The ERA mark tied an ALWS record and the five saves set an ALWS record. He also tied the record for fielding with a 1.000 mark in 98 chances at first base. Offensively he hit a solid .300 and scored 14 runs, second highest in the tourney.

The tournament's finale was set back a day due to severe storms in the area. It was the first setback from Mother Nature and rain of a championship game since 1972 in Memphis.

Regardless of the one day delay, Las Vegas claimed the title beating Pasco WA, 5-1.

It was Las Vegas' first national championship after finishing runner-up in 1986 and 1993.

Manager Chris Sheff's club ended the season by winning its final 21 games and posted a 75-7 record.

Attendance was the second highest under the present 8-team double-elimination format with 37,701.

2009 -- Midland MI Post 165

FARGO, ND – On a sun-splashed afternoon that felt more like an autumn college football Saturday, Midland, Michigan Post 165 won the 2009 American Legion World Series championship.

It was a perfect ending to an otherwise imperfect tournament due to inclement weather. In fact, seven of the tourney's 14 games were seven inning affairs instead of the normal nine-inning games due to the weather.

In the end it was Midland, Michigan claiming the national championship beating Medford, Oregon Post 15, 11-4 in front of 1,867 at Newman Outdoor Stadium on the campus of North Dakota State University.

Defending champion Las Vegas returned to defend its title and was the pre-tourney choice to repeat but just prior to the start of the Series, Jeff Malm, the MVP in '08 signed a Big League contract. Midland, the only other returning team from 2008 field was then installed a slight favorite to

claim the crown. Midland did not disappoint its fans by going 5-0 at the ALWS.

The mainstay was tourney MVP Jordan Dean.

Dean, shortstop, anchored a defense that turned 12 double plays.

Perhaps one of the wildest games in American Legion history saw Midland eliminate Rowan County NC, 15-14.

Midland was cruising with a 12-0 margin going into the sixth inning when North Carolina exploded for eight runs. Midland countered with three runs in the seventh before North Carolina scored five in the seventh. In the bottom of the ninth, North Carolina scored again to cut the margin to one and the game ended that way.

The championship game was exciting as Midland jumped off to an 8-0 lead and coasted to the win.

Midland ended its most successful season at 54-7 record.

2010 – Midwest City OK Outlaws

SPOKANE WA – Facing elimination after one day of World Series tournament play, Midwest City OK Outlaws regrouped and reloaded to capturing the 2009 American Legion World Series. On championship day, Manager Doug Weese's club used its strong hitting to knock off previously tourney unbeaten Eden Prairie MN, 11-6 and 10-1.

The number one team was led by the tourney's #1 player in MVP Dalton Bernardi. (uniform #1) In the championship game he went 3-for-5 and 3 RBI and a pair of stolen bases. To squelch any rally by Eden Prairie, he finished the game pitching striking out three in two and third innings worked.

In tournament competition, Bernardi, an outfielder-pitcher, he hit .420 including 21 hits, 14 runs scored and 15 RBI. He was a perfect 12-for-12 stealing bases and as a pitcher, he finished with a 3-0 record in 21 and 2/3 pitched. He struck out 20 and produced an 0.83 ERA.

Strong points on the winning Oklahoma entry include a team batting average of .346 with 142 hits and 102 runs scored and 28 two-base hits. Adding to the arsenal of offensive weapons for Midwest City include 56 stolen bases. The 56 stolen bases ties the all-time ALWS tournament record.

Midwest scored 10-or-more hits in each of its games. And, not all the talent was on the championship club. Runner-up Eden Prairie MN was also full of talented stars.

Sportsmanship Award winner Blake Schmit led the field of players in national competition in hits (22) and runs scored (18) and was third in total bases (30). He hit .431 (fifth ranked).

Schmit (shortstop) teamed up with Tony Skjefte (second base) for nine double plays in the tourney. Skjefte hit a solid .373.

Midwest City finished the season at 66-10. It was Oklahoma's second national championship in the 2000s. Enid won the 2005 ALWS.

2011 – Eden Prairie MN

SHELBY NC – What a difference a year makes. Just ask the Eden Prairie MN American Legion baseball team.

In 2010, Eden Prairie was one victory away from a national championship but lost twice on championship day and finished with a runner-up trophy.

In 2011, Eden Prairie entered the Series as the favorite to win it all but lost on opening day and it wasn't even close, losing 14-3 in a 10-run game.

What happened next is amazing. "Unbelievable" said Blake Schmit, the American Legion George W. Rulon Player Of Year.

Eden Prairie then reeled off consecutive victories including two of the most exciting games in ALWS history.

With Tupelo MS awaiting the winner for all the marbles, Eden Prairie and Las Vegas NV (the 2008 national champion) squared off in an afternoon game that would send the winner into the finals. Eden Prairie beat Las Vegas, 2-1.

Eden Prairie jumped off to an early second inning 2-0 lead. Schmit trying to beat out a base hit tripped at first base and received a severe ankle injury. But a quick thinking game-saving trainer taped Schmit's swollen ankle and he remained in the game.

In the championship game, Tupelo scored four in the first inning and Eden Prairie's chances of winning seemed remote at best.

Eden Prairie then chipped away with two runs in the second, one in the fifth on a Schmit home run and one in the eighth when Skjefte raced home on a RBI double by Peterson.

The winners picked up a run in the 13th inning on a fielders choice.

Tupelo didn't go down quietly much to the delight of the 5,896 fans in the park.

With one out, back-to-back singles put Tupelo in position to tie and maybe win the championship.

Schmit, the defensive captain of the team called for a pickoff play at second. It was a perfect throw by winning pitcher Lance Tonvold to Schmit, who made the tag with the pickoff.

It was a most successful tournament for Shelby, which became the home of American World Series. A record 86,162 fans cheered every pitch. The previous record was 60,000 at the 1936 ALWS played south of Shelby in Spartanburg, SC.

Several records were broken in the tournament.

Blake Schmit became the first player in American Legion baseball history to win two major awards. In 2010, he was the recipient of the James F. Daniel Jr. Sportsmanship and in post-game ceremonies in this tournament, he was the picked as the George W. Rulon American Legion Player Of The Year

Assistant coach Mike Halloran celebrated his second national title. He was the Player of the Year in 1983 when he was the catcher on the national championship team from Edina, MN.

And for airline bonus miles, the winner goes to Waipahu, Hawaii. The Islanders broke Bayamon, Puerto Rico's record of most miles traveled to a World Series. Waipahu's epic journey totaled 9,608 miles.

Other highlights of the 2011 ALWS include:

- Erik VanMeerten of Las Vegas joined an elite group of Legion players to have played in three World Series tournaments. He played in 2008, 2009 and 2011.
- Eden Prairie became the third team in ALWS history to finish runner-up one year and then return to win the national championship the following year.
- Tupelo Coach Kirk Presley is the cousin of national icon Elvis Presley.

2012 – New Orleans LA Post 125

SHELBY NC – “An experience like no other” and “something I have dreamed about” were just a few comments made by tradition-rich New Orleans Post 125 (Jesuit High School) after capturing the club's third American Legion World Series national championship at Shelby's Veterans Field-Keeter Stadium. Other titles came in 1946 and 1960.

Powered by the strong arm of pitcher Emerson Gibbs, the 2012 recipient of the George W. Rulon Player Of The Year and the stellar play from the entire lineup, New Orleans won with defense (led the tournament in team fielding), tough pitching and timely hitting.

On opening day, Brady Williamson's two-run home run in the eleventh inning propelled New Orleans to a victory over spunky Milford CT.

Against Omaha, New Orleans found themselves down 7-1 going into the seventh inning. NOLA picked up two runs in the seventh and then exploded for five runs in the eighth. The big hit was a bases clearing double down the leftfield line by Jonathan Lee. Tony Fort-Bensen scored all the way from first to give New Orleans its first lead of the game. The play of the game and perhaps play of the tournament came in the ninth inning Taylor Elman singled to right and Omaha's Jon Hechtner was sent home from second. Mitch Alexander made a perfect one hop throw from the rightfield to catcher Matthieu Robert who made the tag on the sliding Hechtner to end the game.

In the championship game and rematch with Brooklawn, Coach Joe Latino picked Gibbs to pitch.

Gibbs responded with a 4-0, three-hit complete game shutout victory. He retired the first 13 batters until Brett Tenuto of Brooklawn broke-up the no-hit game with a hard single to short. Gibbs retired the sides in seven of the nine innings. Matthieu Robert supplied the offense going 1-for-3 and three RBI including two RBI double and a sac fly. Mitch Alexander went 2-for-4.

New Orleans ended the year at 41-7 and pre-tourney favorite Brooklawn finished at 59-5.

And for the third time in three series, host Shelby shattered the ALWS attendance record. Over 100,000 fans turned out to see ALWS action despite the inclement weather.

2013 – Brooklawn NJ Post 72

SHELBY NC – Notre Dame has it's “win one for the Gipper” so it is fitting that Brooklawn has it's “win for for the Skipper”. The skipper was long-time Legion coach Joe Barth Sr.

It worked to perfection as Brooklawn NJ Post 72 won the national championship in quick fashion beating Petaluma CA, 10-0 in a game shorten from nine innings to seven due to the “mercy” rule. It marked the first time the mercy rule was used in an ALWS championship game.

Filling in for ailing Bart Sr. was his son and coach, Dennis Barth.

The tourney in its final year of a double-elimination format and played in Shelby NC for the third successive year was a hit for the beginning.

For starters, 104,726 filled Keeter Stadium at Veterans Field breaking the all-time attendance record set the previous year.

On opening day, fans enjoyed an inside-the-park home run by Petaluma's catcher Ryan Haug, a record steal of second, third and home in the same inning by Gonzales second baseman Robbie Podrosky and a upside-down jubilation of a unusual play with an extra inning game heroics.

And that was just on opening day.

Inclement weather which has hampered previous World Series in Shelby (in 2008, 2011 and 2012) was again trying to play havoc during the '13 Series but without too much success.

Rain hampered play during six games with light-to-moderate showers throughout the opening rounds that made playing conditions soggy.

With its 2012 championship loss still fresh, Brooklawn entertained Petaluma in the championship.

2013 would be different however. Brooklawn scored early and often to end the game and rout of Petaluma.

Pitcher Mike Shawarn was masterful limiting California to just four hits. He fanned eight and did not walk a batter.

Brooklawn banged out 17 hits (one shy of the championship game record of 18) as every position player collecting a hit. Four players picked up two hits each while Nick Cieri and John Theckston picked up three hits each.

Anthony Harrold was selected as the George Rulon American Legion Player Of The Year award. He also won the Louisville Slugger Award as the top hitting in national competition. He hit .529 (18-for-34).

Brooklawn finished the year at 47-8 to cap a two-year run with a 106-13 record that included two regional championship, a national championship and national runner-up.

And for Mike Rucci, the only player to have played in four consecutive World Series (1998-2001) returned to the Series as a coach for Brooklawn.

2014 – Brooklawn NJ Post 72

SHELBY NC – In one of the most dominating performances in American Legion World Series championship game history, Brooklawn New Jersey Post 72 won its second straight national championship with an overpowering victory over Midland MI, 18-0 in a seven inning affair. It was Brooklawn's second consecutive 10-run victory in championship games.

The 18-run decision was the most lopsided victory in the finals and the largest shutout in championship play. Only Yonkers NY scored more runs in a ALWS championship and that was way back during the Legion's first tournament in 1926. The New Yorkers scored a 23-6 win over Pocatello ID in the Legion's inaugural title matchup.

The victory was bittersweet for Brooklawn. Its long time skipper and founder Joe Barth Sr. passed away prior to the start of the season.

His son Dennis Barth, an associate head coach under his dad stepped in as the top man and continued his dad's success with the championship.

In a rematch and playing for the championship, Brooklawn wasted little time against Michigan scoring four in the first, one in the second and five in the third for a 10-0 advantage. As if that wasn't enough, the champions score eight more runs in the sixth before the game ended after seven innings. Tyle Mondile scattered five hits in the shutout and struck out five to pick-up the win. Five players in the Brooklawn lineup collected two hits or more

The championship game attendance set a modern record of 7,907. Brooklawn ended the season at 54-7 record. Midland finished at 50-8.

2015 – Chapin-Newberry SC

SHELBY NC – Winning championships need a combination of a solid defense, strong pitching and timely hitting. It also helps to have a bit of luck. For Chapin-Newberry, the luck came in the form of three come-from-behind victories in their march to the 2015 American Legion World Series championship.

The title game was a 9-2 decision over New Orleans before the largest championship game attendance (8,826) since 1949.

The five-day tournament attendance exceeded the record set last year with 117,072.

Attempting to be the first South Carolina ALWS champion since 1936 and the first team to finish theseason unbeaten since 1928, Chapin-Newberry faced a stiff competition.

Despite its lofty unbeaten record (28-0 entering the ALWS), Chapin-Newberry was at best a long-shot entry to win it all. The favorite was the two-time defending national champion Brooklawn, New Jersey. Brooklawn was attempting to be the first three-time champion. It didn't happen.

The first of the three comeback victories came on opening day when the eventual champion scored twice in the bottom of the ninth for a 2-1 victory over former champion Midland, Michigan.

The dream of an unbeaten season came crashing down the following afternoon with a 5-2 setback at the hands of New Orleans, the 2012 national champ.

C-N regrouped with a "must win" game against Cromwell, Connecticut and true to fashion, C-N down 6-0 early exploded for six runs in the eighth inning to win 7-6.

In the semifinals against Medford, Oregon, C-N was down 3-1 going into the top of the eighth, C-N scored a run in the eighth and two in the ninth to move within one game of a national championship season.

C-N reversed its normal mode of playing in ALWS play by scoring first and built a seven-run lead in stopping New Orleans to capture the crown.

Justin Hawkins, a stellar shortstop was named to the all-tournament team and was the recipient of the George W. Rulon American Legion Player of The Year.

The tourney set a record with ten one-run decision while C-N's 32-1 record was the best since East Lynn MA went 38-1 in 1937.

2016 – Texarkana AR

SHELBY NC – Texarkana AR endured a hostile North Carolina state entry and overcame a four-run deficit to win the 2016 American Legion World Series championship.

It also took extra innings and extra time in doing so. The championship battle with Rowan County, North Carolina was a matchup made in heaven for Legion officials, a national television audience and the loyal fans of Shelby, North Carolina and Cleveland County.

Keeter Stadium/Veterans Field is 82.4 miles from the Rowan County courthouse so thousands of Rowan fans flooded the ballpark on Championship Tuesday.

It was definitely a home crowd environment for the North Carolina champion. A crowd of 8,496 packed the rafters in the title game with Rowan County jumping off to a 4-0 lead against Texarkana after four innings.

Texarkana rebounded in the fifth tying the game and that was all the scoring for the remaining regulation nine-inning game.

In extra innings, Texarkana exploded for four runs in the twelfth and seemingly had the game won.

Backed by the largely dominant North Carolina fans, Rowan rallied with two in the bottom of the twelfth and had the bases loaded when the final out was made.

Score it: Texarkana AR—8, Rowan County NC—6.

The twelve innings was the third longest in championship game history and the time of 3:25 was the second longest behind the epic 13-inning championship in 2011 between Eden Prairie MN and Tupelo MS. That game went 3:31

It was Texarkana (42-5) and the state of Arkansas's first Legion World Series championship and denied North Carolina's quest for a fifth national title.

Texarkana's all-purpose athlete (catcher/first base) Will Smith was chosen as the recipient of the American Legion George Rulon Player Of The Year. He hit .361 in 10 national playoff games including a pair of key hits in the championship game.

Teammate Logan Vidrine (pitcher/infielder) was the recipient of the James Daniel Sportsmanship Award. Vidrine put Arkansas in the championship game with a pitching gem in the semifinals beating Rockport, 3-1 scattering three hits.

And for the sixth straight year (all in Shelby), the attendance was shattered with 121,127 fans packing the ballpark.

2017 – Henderson NV

SHELBY NC – Surrendering a near record number of hits (21, the record is 22) on opening day, Henderson NV looked nothing like a national champion.

ALWS MVP Shane Spencer changed all that leading Henderson to the 2018 American Legion World Series championship with his stellar pitching performances.

Surprising everyone in attendance except his teammates and fans, Spencer led the comeback with two complete game victories.

After that disastrous opening day loss, Spencer got Henderson in the win column with a one-hit 1-0 victory.

Teammate Ryne Nelson came back in Henderson's next outing with a one-hit outing but Henderson bats fell quiet and the team lost 1-0.

Due to the tiebreaker procedure in tournament pool play, Henderson advanced to the semifinals despite its 1-2 record.

Surviving pool play with a second-place finish, Henderson moved into the championship game with a 7-3 extra inning victory over Bryant AR (the other pool play's divisional winner).

In a rematch with Omaha for the championship, Henderson went to Spencer for the win.

In a reversal of the earlier meeting, Spencer shut down the Omaha bats giving up just three hits and striking out six as Henderson (a suburb of Las Vegas) captured the national crown.

The score was 2-1 with winning run coming in the sixth inning on Nick Thompson's RBI sacrifice fly scoring JJ Smith.

Henderson (56-10 on the season) became only the

eighth team since the current 8-team ALWS format to lose on opening day and come back and win it all. Texarkana did it last year..

If a Spirit award had been presented, Lewiston's Chris Powell certainly would have walked away with the award. The talented outfielder made a diving catch in Lewiston's opening game against Bryant AR. The result was a separated shoulder and he went on the DL for remainder of the Series.

The upbeat youngster vowed to return to play later in the tournament but doctors and family over-ruled that possibility.

After six straight years of recorded increased attendance, only 120,924 attended the 2018 Series. The main reason – as always – inclement weather conditions.

2018 – Wilmington DE Post 1

SHELBY NC – In 92 American Legion World Series tournament, fans have enjoyed many memorable games, exciting finishes, heart-stopping action but none can match the finals of the 2018 ALWS finals between tradition-rich Las Vegas NV and upstart Wilmington DE.

Wilmington Post One gave the state of Delaware its first national championship with a 1-0 extra inning victory over Las Vegas.

The game was intense and tight as neither team gained an offensive advantage through seven scoreless innings.

Las Vegas opened the eighth with a lead-off single but Wilmington's Chris Ludman retired the next three batters.

Michael Cautillo walked full count pitch. Ludman advanced Cautillo to second with a perfect bunt.

And then Austin Colmery connected on the biggest hit of his life up the middle sending Cautillo from second for the game winner. The throw from the outfield was late as Cautillo slid safely across the plate.

The overflow capacity crowd of 8,350 roared with approval as the Wilmington celebrated wildly on the field.

Ludman was selected the George W. Rulon American Legion Player Of The Year.

In the championship game, he tossed a complete extra inning complete game victory. He threw 99 pitches giving up just four hits and striking out three.

Colmery was the offensive standout going 2-for-4 and the game winning RBI. He also was the leader in total bases with 21.

Dubuque County's Sam Goodman received the Sportsmanship Award.

Wilmington finished its most successful season at 38-4.

Despite rain and lightning delays in game seven and eleven, Shelby broke the ALWS attendance record (again) with a 15-game attendance of 128,307.

2019 – Idaho Falls ID Post 56

SHELBY NC – A record-setting year for Idaho Falls, Idaho Post 56 culminated in a perfect way as the Bandits won the American Legion World Series on Wednesday morning with a 5-3 victory over Fargo, N.D., Post 2.

Idaho Falls navigated a difficult path to even make the World Series, winning four straight elimination games in the regional tournament, including an extra-inning affair in the title game. Once in Shelby, N.C., the Bandits swept all three pool play games, won their semifinal on Monday and captured the crown on Wednesday morning in the conclusion of a suspended game from Tuesday night.

This is the first American Legion World Series win for a team from the state of Idaho.

In the top of the first Tuesday, Fargo worked very difficult counts and got the scoring started. Zach Sandy fouled off two tough pitches already in an 0-2 count before forcing a difficult play at short, reaching on an error. A groundout moved him over to second and a single by Cole Hage on a 1-2 count put runners on the corners. After an out, Brayden Koenig grounded one the opposite way through the hole for an RBI single. Brandt Kolpack followed with a single of his own to make 2-0. All four runners to reach base in the inning had two strikes on them.

Idaho Falls had three batters reach in the bottom of the frame, and just like Fargo, all three did so down to their last strike. Bruer Webster led off with a single and Alex Cortez did the same. A wild pitch moved both over and Randon Hostert brought a run home with a hard-hit ball that forced an error. Starter Blake Anderson settled down and got a key strikeout and flyout to end the frame.

Three pitches into the top of the second inning, the rain came, forcing a delay at 7:08 p.m., ET., and ultimately a suspension in the game until Wednesday at 10 a.m.

The two starting pitchers, Hostert and Anderson, would not return to the mound Wednesday and would be replaced by Andrew Gregersen and Colton Frey, respectively.

This marked the third straight year that Idaho sent a team to the American Legion World Series and ninth appearance overall. Only two of the other eight programs to make the World Series made the title game. Pocatello lost, 23-6, in the first World Series in 1926 against Yonkers, N.Y., in Philadelphia and Lewiston Post 13 dropped a 5-2 decision to Brooklawn, N.J., in 2001 in Yakima, Wash.

2020

The 2020 American Legion Baseball season was canceled due to the COVID-19 pandemic.

2021 – Idaho Falls ID Post 56

SHELBY NC - Idaho Falls, Idaho Post 56 entered the 2021 American Legion World Series as the event's last champion, from 2019.

And the cancellation of the 2020 season due to the COVID-19 pandemic meant Idaho Falls head coach Ryan Alexander entered the 2021 season with only one player back from that 2019 title team, and a lot of unknowns.

After Wednesday afternoon, Alexander now knows his team will go down in ALWS history after winning its second straight title with a 6-1 win over Honolulu, Haw., at Keeter Stadium at Veterans Field in Shelby, N.C.

"I am actually just so happy for these kids," said Alexander, whose team finished the season with a 46-10 overall record. "For me as a coach, there's shock because you never know if you're ever going to get back here."

Idaho Falls, which had become the 14th team to appear in back-to-back ALWS title games, becomes only the sixth back-to-back ALWS champion, joining Oakland, Calif. (1949-50), Cincinnati, Ohio (1957-58), West Covina, Calif. (1970-71), Rio Piedras, P.R. (1973-74) and Brooklawn, N.J. (2013-14).

Other teams to advance to back-to-back championship games were New Orleans. (1929-30), Trenton, N.J. (1945-46), Charlotte, N.C. (1964-65), Tuscaloosa, Ala. (1966-67), Memphis, Tenn. (1972-73), Boyertown, Pa. (1982-83 and 1987-88) and Eden Prairie, Minn. (2010-11).

ALWS top moments

Pre-Guinozzo era 1926-71

1931

In the American Legion's version of a classic pitching duel, South Chicago IL pitcher Al Lawler out-lasted Columbia SC's Kirby Higbe to win the 1931 championship, 1-0 in 14 innings.

Lawler fanned 17 would-be-hitters while Higbe countered with 10 strikeouts.

South Chicago won the Series, 2-games-to-0. The Series was the first to be played at night at Houston's Buffalo Stadium.

1933

Ted Swed's single off an 0-2 pitch with two outs in bottom of the ninth inning propelled Chicago to a wild 7-6 victory over Trenton NJ in the finals of the 1933 ALWS played in New Orleans.

Phil Cavaretta, who earlier tripled, went to the mound in relief and gave up one hit over the final three innings to get the victory.

1938

San Diego edged Spartanburg SC, 3-games-2 (with 1 tie) to win the most evenly matched Series in history. The Californians won the final game, 4-1. Earlier the teams battled in an epic 14-inning 8-8 tie.

Chet Kehl fanned 10 and scattered four hits for the win. He retired the final eight batters.

1940

Albemarle NC overcame a 2-games-0 deficit to beat favored San Diego, 3-games-2 to win the 1940 ALWS crown.

The finals in the best-of-five series format set an all-time attendance record of 20,000 in Albemarle. The five game series also set a tournament record of 60,000. The record stood until 2008 when another North Carolina community Shelby set a new figure of over 80,000.

The championship was not secured until the ninth inning when the winners stopped a San Diego rally. The final out was made on an attempted squeeze play. Catcher Hoyle Boger called for a pitchout and that proved to be correct as a surprised California runner was out at the plate.

1946

Gus Riordan limited pre-tournament favorite (for the second straight year) Trenton NJ to a pair of singles in the championship game to give New Orleans the upset victory over the favored Garden state entry for the 1946 championship.

1968

Terry Dan's perfect bunt on an 0-2 count scored Charlie Blanchard in the ninth inning sent Memphis to the national championship against Klamath Falls OR. The score was 4-3.

From the Guinozzo era

1972-present

1982

Boyertown PA ended a storybook season by winning the ALWS championship at home. It was the first time since 1941 that a team playing at home to win the ALWS.

6,563 fans (in which over 99 percent was Boyertown fans) cheered each pitch in the championship victory over Lafayette CA, 14-8. The victory celebration lasted way into the wee-morning hours as Boyertown fans partied.

1983

Upstart Edina MN scored three runs in the eighth inning and two in the night to upset defending national champion Boyertown PA, 5-4 to win the 1983 championship.

Edina scored the tying and eventual winning run in top of ninth when Boyertown outfielders collided on a fly ball.

Pitcher Rob Wassenaar finished the 4-0 comeback with two gone in the bottom half with a stunning strikeout.

1984

Teofilo Serra walked home as a result of a bases loaded walk in the bottom of the ninth to give Guaynabo PR a two-game sweep of Brooklawn NJ on championship day to capture the 1984 ALWS.

1997

Sanford FL erased the largest margin in a championship game (8-2) to win the 1997 championship beating Medford OR, 11-8 in a game shorten due to threatening weather.

Tim Raines Jr. belted a pair of home runs as the Floridians scored seven runs in the sixth inning.

2004

Surprising everyone except parents and friends, Portland ME won the 2004 ALWS with convincing fashion. Tourney MVP Scott Brown led the charge hitting and pitching as Portland beat Kennewick WA, 2-0. Starting pitcher Mike Powers gave up just one hit in eight innings in the finals.

2005

Enid OK won the 2005 ALWS on the most unusual ending in Series history. The Majors winning run came in the bottom of the ninth on a bases loaded balk.

2011

Eden Prairie MN overcame a 4-0 first inning deficit and scored the winning run in the top half of the 13th inning to win a classic come-from-behind championship victory over Tupelo MS. The win was sweet for Eden Prairie having finished second in 2010. MVP Blake Schmidt won his second straight major award. The year before he was the Sportsmanship recipient.

2016

In the championship game. Texarkana AR overcame a 4-0 deficit (ties for the largest deficit in championship game) to beat home state and crowd favorite Rowan County NC, 8-6 in 12 innings.

2018

The capacity crowd in attendance saw probably the most dramatic finish in ALWS history as upstart Wilmington DE scoring the winning run in the bottom half of extra innings to beat tradition-rich Las Vegas NV, 1-0. Mike Cautillo scored from second as Chris Ludman pitched a near-perfect four-hit shutout.

JJ Guinozzo III: scoring czar

The date was June 1, 1964 and John 'JJ' Guinozzo started keeping score for American Legion baseball. He was the scorer for Whitehaven Boosters and the Tigers won that first game against rival South Side. From that point, JJ has scored too many games to count (approximately 6,000) and now holds the title of the ALWS scoring czar. His first assignment with the World Series came in his home town of Memphis, TN in 1972 and with a blessing from Mother Nature (rain delays), JJ launched a career with the national legion program that now spans nearly five decades. The 93rd American Legion World Series in 2019 will be his 48th Series. That's over half of the World Series played since 1926 and that includes 697 of the 1,042 ALWS games played. In 1982 at the request of Legion baseball director George Rulon, Guinozzo spent most of spring break at the Legion's national quarters researching records. Today, the legion produces an extensive Record Book with facts, figures, data, photos and just about anything you need or would want to know about the Legion baseball program.

Guinozzo will be 71 in September is an official scorer for the NBA, MLB, NCAA and other sporting events.

He served as official scorer for the past two NBA championship finals. Other assignments include Olympic team and Pan American games.

He resides in Southaven, Mississippi, a community just south of Memphis, Tenn.

And for whatever the reason, long-time legion baseball director George Rulon was impressed with Guinozzo and from 1973 to the present, JJ has been on the scene scoring World Series games and compiling official records.
