Do you know these men, they are wanted for not RENEWING their membership for 2019 membership year. Some have been on the run since 2016, and are considered extremely delinquent. Proceed with courtesy and respect when asking them to renew their dues.

Squadron

Please help us find these men and bring them back into the Squadron; don’t let them run loose terrorizing the community without the rest of us. Have them or you turn their membership into the Membership Sherriff immediately!
