National Legislative Agenda

1st The Sons of the American Legion National Legislative Commission presented the 2018-2019 National Legislative Goals to National Commander Greg "Doc" Gibbs at the National Convention in Minneapolis, MN. On August 27th.

The members of the Legislative Commission are: Vice Chairman Richard Pfeiffer (IN), David Lee (NY), Bernie Kessler (OH), and William D (Bill) Kelly (FL). All these members were on the commission in some capacity last year these Legislative Commission members have worked very hard last year to provide our organization with the following five-point agenda outlining the goals of the Legislative Commission:

1st To assist in building stronger Detachment Legislative Commissions. We intend to get more Detachment Legislative Chairmen involved.

2nd To assist as many members as possible to join The American Legion Legislative Alert System.

3rd To organize a strong turnout for Washington Conference. Last year we had 2 buses and 93 out of 110 seats reserved, fantastic turnout but we can do better.

4th To promote the George B Evans Grassroots Veteran Advocate of the Year Award. We will streamline and update the application process.

5th To reached out to younger members (members younger than 35).

This is a new request from National Commander Gibbs and we will be reaching out to the younger members to get them involved.
