

Message from National Membership Chairman Joseph Navarrete:

During this unprecedented time we have been faced with several challenges. The Sons of The American Legion has always taken pride in recognizing their accomplishments, some times we forget to give that much deserved pat on the back, however we never forget our main mission of serving the needs of our veterans and their families.

**Because of all the closures and shut downs from Covid-19 we have decided to extend the deadline for the Individual Recruitment and Blue Brigade Awards. The new deadline will be August 31st.**

Remember that recognizing our achievements is one of our goals for the year, let's make sure to make a final push and do all we can to recognize those members for all their recruitment efforts.

Thank you for your time and all you do for the Sons.
