That is why I was so surprised to find your name on a list of <<state>> veterans who are no longer receiving these benefits.

That's in addition to the savings, special discounts and exclusive member privileges you receive as an active American Legion member!

When you activate your membership in The American Legion, you will receive ...

(OVER, PLEASE)

James,  
As our way of saying "Thank You," select one of these three FREE gifts on your membership activation form.

As an American Legion member, have easy access to and help support a highly trained network of Veteran's Service Officers – whose mission is to help all veterans obtain the full VA medical, educational and insurance benefits you are eligible for now ... AND IN THE FUTURE.

*"The willingness with which our young people are likely to serve in any war, no matter how justified, shall be directly proportional to how they perceive how the veterans of earlier wars were treated and appreciated by their nation."*

It is our mission to ensure that ALL veterans are treated with dignity and our country keeps the promises it made when you and your fellow veterans answered the call. The American Legion is a force in Washington ... protecting the benefits you earned and fighting for the benefits you need!

**The American Legion was the architect of the GI Bill which continues to allow veterans to go to college, find employment, and purchase homes.**

We have tirelessly fought for the benefits of our Vietnam Veterans - expanding coverage to those suffering from a wide (and growing) range of illnesses linked to exposure to dangerous chemicals like Agent Orange. We continue to hold the VA accountable for providing quality healthcare to our veterans in a timely manner and will not back down until the system is fixed.

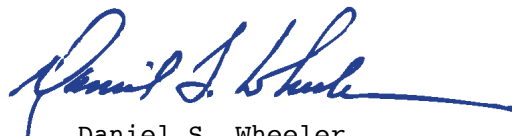

The American Legion stands toe-to-toe with those in Washington who continue to try to cut budgets on the backs of our veterans.

You have earned these benefits and MORE ... isn't it time to start taking advantage of benefits that can save you hundreds of dollars each year ... for mere pennies each day?

**Simply fill out the Membership Activation Form I have included, along with your first year's membership dues, and start saving money on everything from insurance to prescription drugs ... and rental cars to eyewear.**

**It would be an honor and a privilege to say "Welcome Back" to The American Legion.**

Serving those who have served,

Daniel S. Wheeler  
National Adjutant

P.S. As a special thank you, for your dedication to America, I have enclosed a set of patriotic personalized address labels and two decals, along with a beautiful personalized certificate - honoring your service to our country.

# QUESTIONS & ANSWERS ABOUT THE AMERICAN LEGION

To learn more about The American Legion, or with any questions, please visit [legion.org](http://legion.org) or call 1-888-805-6180.

## **Q. How do I join The American Legion?**

A. Simply complete the enclosed Membership Activation Form and mail it back today with your annual membership dues. A pre-addressed envelope is included to speed your reply. You can also join online by going to [www.legion.org/mailoffer](http://www.legion.org/mailoffer) or over the phone by calling 1-888-805-6180.

## **Q. How do I know if I qualify for membership in The American Legion?**

A. Look on your Membership Activation Form. If it lists your dates of military service, and if you served honorably, at least one day of active duty, you qualify for membership in The American Legion. If you are still serving on active duty, in the Reserves or National Guard, you are eligible to join.

## **Q. Why is membership in The American Legion limited to certain periods?**

A. The American Legion was chartered by the U.S. Congress in 1919 as an organization of wartime veterans. Our membership eligibility dates parallel dates set by Congress for wartime service.

## **Q. Why should I join The American Legion?**

A. Your membership in The American Legion allows you to take full advantage of your status as a wartime veteran and receive additional American Legion benefits to which you are entitled. With your membership, you also support the troops presently serving and honor the other men and women in the United States military who have given so much for our country. And as a Legionnaire, you'll have the opportunity to build friendships and camaraderie with fellow wartime veterans and continue your service to America.

## **Q. What types of service activities are Legionnaires involved with, and how do they contribute to my community?**

A. The American Legion was instrumental in the creation of the Veterans Administration (VA) and having the VA elevated to a cabinet level agency and designated as the Department of Veterans Affairs. The American Legion is also universally recognized as the originator of the GI Bill of Rights and it continues to work to maintain the rights and benefits earned by veterans through service to their country. Legionnaires are also deeply involved with community activities ranging from hospital services and blood drives to youth programs such as the Boy Scouts, the National High School Oratorical Contest, American Legion Baseball, scholarships and the annual American Legion Boys State/Boys Nation programs.

## **Q. If I join The American Legion, how involved in its service programs will I become?**

A. That is strictly up to you. Some members are more involved than others, but all members are encouraged to find a level of involvement that's comfortable for them.
