# QUESTIONS & ANSWERS

## about The American Legion

 [www.legion.org](http://www.legion.org)

### Q. How do I join The American Legion?

A. There are 3 easy ways to join:

 Return the **Acceptance Certificate** in the enclosed envelope.

 Call **1-888-805-6180**.

 Or, go to **[www.legion.org/mailoffer](http://www.legion.org/mailoffer)**

### Q. How do I know if I qualify for membership in The American Legion?

A. Look on your Acceptance Certificate. If it lists your dates of military service, and if you served honorably, at least one day of active duty, you qualify for Legion membership. If you are still serving on active duty, in the Reserves or National Guard, you are also eligible to join.

### Q. Why is membership in The American Legion limited to certain periods?

A. The American Legion was chartered by the U.S. Congress in 1919 as an organization of wartime veterans. Our membership eligibility dates parallel dates set by Congress for wartime service.

### Q. Why should I join The American Legion?

A. Your membership in The American Legion allows you to take full advantage of your status as a wartime veteran and receive additional American Legion benefits to which you are entitled. With your membership, you also support the troops presently serving and honor the other men and women in the United States military who have given so much for our country. And as a Legionnaire you'll have the opportunity to build friendships and camaraderie with fellow wartime veterans and continue your service to America.

### Q. What types of service activities are Legionnaires involved with, and how do they contribute to my community?

A. The American Legion was instrumental in the creation of the Veterans Administration and having the VA elevated to a cabinet level agency and designated as the Department of Veterans Affairs (VA). The Legion is also universally recognized as the originator of the GI Bill of Rights, and it continues to work to maintain the rights and benefits earned by veterans through service to their country. Legionnaires are also deeply involved with community activities ranging from hospital services and blood drives to youth programs such as the Boy Scouts, the National High School Oratorical Contest, American Legion Baseball, scholarships and the annual American Legion Boys State/Boys Nation programs.

### Q. If I join The American Legion, how involved in its service programs will I become?

A. That's strictly up to you. Some members are more involved than others but all members are encouraged to find a level of involvement that's comfortable for them.
