Dear <<Name>> ,

We are at a critical juncture in our country today.

Thousands of our brave service members have returned home after two long wars, while many more stand in harm's way serving our country and protecting us from the threats of terrorism around the world.

Many of our veterans are returning home with serious injuries – both physical and mental. Even more are in need of special services and support within their communities.

We must make sure not a single veteran falls through the cracks.

As thanks for your commitment to America's veterans, I've enclosed a set of beautiful American Legion all-occasion cards... my special gift to you. **You deserve recognition as a patriot who really toes the line for America's veterans!**

It's loyal friends like you who make this nation great. YOU understand the new battles...the challenges...our new veterans will face. You understand that, no matter what, we must do all we can to support these courageous men and women who are coming home and need help transitioning back into civilian life.

Once again, <<NAME>>, we must make sure our heroes receive the help they need as they return home.

From one patriot to another, I'm asking you to step forward and lend your support to our American veterans...our military families...our wounded warriors. If you can manage a gift of <<\$XX>>, <<\$XX>> or even <<\$XX>>, I'll see to it that it's used to help veterans and their families in their time of need. Your generous contribution will help The American Legion:

- **Pay for utilities, groceries, childcare,** and more for military families whose lives are in chaos after long,

(over, please)

recurring deployments through our Temporary Financial Assistance program (TFA).

- **Provide direct assistance to veterans returning home from war.** While politicians point fingers at who is to blame for the mess in the VA healthcare system, The American Legion is taking action and helping thousands of veterans with their VA claims and appeals to ensure they receive the quality healthcare they have earned.
- **Protect the children of military families** with The American Legion Legacy Scholarship Fund. Providing for the education of children whose mother or father made the ultimate sacrifice in war is our moral duty.

These are just a few of the programs made possible by good people like you. And every gift you make to The American Legion is tax-deductible.

You can count on this: We are duty-bound to America's veterans and active-duty military! We will not stand by and watch a hero stumble and fall!

It's not right...it's just not our way. As our country's oldest and largest veterans service organization – we are committed to ensuring our heroes are cared for...that we leave no one behind.

I'm asking you to join us – and thousands of other grateful Americans across the country – in our pledge to help our troops and veterans. Especially those who suffer horrible wounds and serious trauma as a result of their service...and those families with loved ones who fell in the line of duty.

Please fill out the attached donation card and return it in the envelope I have provided. I truly feel blessed because I know you are standing with our veterans and are willing to help!

Thank you and may God bless you and your family.

Sincerely,

William A. Pease

P.S. The all-occasion cards are my gift to you because you're such a loyal friend to America's troops and veterans. You're not obligated, but if you could please manage a gift right now it would certainly mean a lot.
