

## NOVEMBER 2020 **MEMBERSHIP IMPACT REPORT**

A Report from American Legion National Headquarters

### **VOICES**

*"Students and educators who started this school year are forever changed by the pandemic ... Many after-school programs need volunteers, and parents have become involuntary homeschool teachers. Mentors and life-coaches are needed along with tutors to fill the gap created when kids are confined to online classes. Do you have language skills? Interpreters are needed for English language learners. And many high school students, through service learning and community service activities, are required to provide volunteer service as part of their graduation program. Can you provide service opportunities for these students?"*
