I received the following from Department of France Commander James Settle, we had it checked out and it is a legitimate American Legion Program.

If your Department or Post has either a Website or Facebook pages or both, I need the addresses so they can be added to the FODPAL Website. A main directory will be built for the Departments. All Posts under said Department will be in the sub directory. Posts in Canada will have their own directory.
Now that Veterans Ceremonies are complete, it's time to e-mail your stories and pictures, so that history can be added to the FODPAL Website. The only input I have to date is from the following, Ansbach Post 1982 France, Paris Post 1 France, Ireland Post 3 France, and Flanders Field Post 2 France. I know we have more than just the Department of France in FODPAL. Please take ten minutes and e-mail that information to me.

Time is running out to get your quote in for the FODPAL patch. The drop dead date to submit your quote is 1 Dec. On Dec. 2nd the committee of six FODPAL NECmen plus Treasurer Jimmie Foster will determine which quote will be the best. At the present time I have 3 quotes.
GREAT GREAT JOB! All six Departments in FODPAL surpassed the 65% membership cutoff mark. The next one up is the 75% cutoff, set for 11 Dec. At this time there are three Departments within a couple of percentage points from passing that cutoff mark. Let’s keep the pressure on and have all the Departments once again pass the 75% mark.

Have you renewed yet? NO? What are you waiting for? If you don't want to fill out the form below, you can go online to legion.org/renew and in two minutes you are renewed, so at halftime on one of the many football games you will be watching this weekend, run to your computer and renew, you'll be renewed before the second half starts.
