Commander’s Message

Veterans Day on Nov 11th (originally known as Armistice Day) is for honoring all military veterans who have served in the U.S. Armed Forces and were discharged under conditions other than dishonorable. We take this day to Honor all that have served from WWI to the Present. They are not forgotten. Many have suffered wounds whether mentally or physically that may never heal. Next time you see a Veteran, shake their hand and just say “Thanks”.

Also, Thanksgiving Day is a holiday that began as a day of giving thanks and sacrifice for the blessing of the harvest and of the preceding year. Although Thanksgiving has historical roots in religious and cultural traditions, it has long been celebrated as a secular holiday as well. This year as you seat around the table to give thanks, remember those that are unfortunate and the homeless that have no family to celebrate this great day of feasting with. In my military past, Thanksgiving was always spent abroad and eating in the mess hall's. I was beyond thankful when I was invited to someone’s home for a dinner.

Thank you to ALL of you, to include those currently serving, from the bottom of my Heart.

BUDDY CHECK
A NATIONAL WEEK OF CALLING

As American Legion members, our most sacred responsibility is to look out for each other and our fellow veterans. As a way to reach out to members and former members who may need help, the National Executive Committee passed Resolution 18 during Spring Meetings in May 2019. The resolution calls for Buddy Checks to be conducted Legion-wide on the weeks of The American Legion’s birthday, March 15, and Veterans Day. The idea is to reconnect with veterans who may need assistance but don’t know where to go or who to ask. For expired members, they may have just been waiting for a personal call or visit to renew. These contacts may be made by a personal visit, phone or email, or a combination. The important part is to reach out to veterans in your community to let them know you care and can provide whatever assistance they may need.

It’s what we do for our battle buddies.

Base Commissary & Exchange access coming soon!

Starting Jan. 1, Purple Heart recipients, former prisoners of war and all service-connected disabled veterans, regardless of rating, as well as caregivers enrolled in the VA’s Comprehensive Assistance for Family Caregivers program, will be able to shop at Defense Commissary Agency stores and military exchanges.

They also will have access to revenue-generating Morale, Recreation and Welfare amenities, such as golf courses, recreation areas, theaters, bowling alleys, campgrounds and lodging facilities that are operated by MWR.

Justin Hall, director of the MWR and Resale Policy in the Office of the Under Secretary for Personnel and Readiness, said that, after Jan. 1, newly eligible patrons should go to the visitors’ center at the base where they plan to do most of their shopping to register their credentials. Thereafter, they will be able to access the base in the same way as CAC and DoD ID card patrons.

The Defense Department is preparing a fact sheet that will contain information on how veterans can get a VHID card if they don’t already have one and how caregivers can obtain the memo they need to access the benefit.
