A Brief History of Veterans Day/ Commander's Message

Veterans Day is an official United States public holiday, observed annually on November 11, that honors military veterans; that is, persons who served in the United States Armed Forces. It coincides with other holidays, including Armistice Day and Remembrance Day, celebrated in other countries that mark the anniversary of the end of World War I; major hostilities of World War I were formally ended at the 11th hour of the 11th day of the 11th month of 1918, when the Armistice with Germany went into effect. The United States previously observed Armistice Day. The U.S. holiday was renamed Veterans Day in 1954.

Veterans Day is not to be confused with Memorial Day, a U.S. public holiday in May; Veterans Day celebrates the service of all U.S. military veterans, while Memorial Day honors those who died while in military service. [1] It is also not to be confused with Armed Forces Day, a minor U.S. remembrance that also occurs in May, which specifically honors those currently serving in the U.S. military.

On this Day I Thank and Salute all those Brave Men and Women that have Served in our Armed Forces, on this day where ever you might be in the World. Take this day to say "Thanks" to those that have Served. If you see a Homeless Veteran shake his hand and spare some change, show him/her that you have not forgotten them.

On this Day I Salute You

Thanksgivings Day Message

On this day of giving, as we sit at the Dinner table, and say Grace, enjoy a wonderful meal, that was prepared by the Family. We will enjoy this meal in the comforts of our warm home. Remember those that won't be home to enjoy that wonderful meal with their Love ones, let us not those that are in a foreign land defending our Freedom. Also remember those Homeless Veterans that don't have a home to enjoy a warm meal with their Love ones

I want Wish you and Hope you have a Wonderful Thanksgivings.
