## AMERICAN LEGION CHARITIES

*American Legion Charities was launched as a 501(c)3 nonprofit trust in 2010 to allow Legion Family members and friends to make a general donation to The American Legion, or choose a specific program to support. Donors can now choose to contribute specific dollar amounts to more than one American Legion program.*

### **American Legion Veterans & Children Foundation**

The American Legion Veterans & Children Foundation supplies needed funds to assist military and veteran families with minor children at home, in times of financial crisis. It also helps fund training programs and other resources for The American Legion's service officer network of more than 3,000 professionals who provide free assistance to veterans and their families when applying for their government benefits.

### **National Emergency Fund**

The National Emergency Fund directs immediate cash grants to Legionnaires who are recovering from natural disasters. American Legion posts are also eligible for emergency assistance.

### **Legacy Scholarship Fund**

The American Legion Legacy Scholarship Fund provides scholarship money for children whose parents have died on active duty since Sept. 11, 2001, or who have become 50 percent or more disabled during wartime service. One hundred percent of all donations go directly into the fund to be used for scholarships.

### **Child Welfare Foundation**

The Child Welfare Foundation, created by The American Legion, has operated as a separate 501(c)3 nonprofit organization since 1954. It awards grants to other nonprofit organizations to educate the public about the needs of children across the nation.

### **Operation Comfort Warriors**

One hundred percent of donations to Operation Comfort Warriors are used to purchase rehabilitation equipment and pay for recreational items or experiences for sick or wounded military personnel.
