

## ABOUT THE 1919 SOCIETY

The 1919 Society is a network of proud donors who believe in The American Legion's sacred commitment to veterans, military service, young people, responsible citizenship and patriotic values.

Within its ranks are leaders who stand up for The American Legion's mission or who have benefitted from its programs and services. The society also consists of some groups and associations that have chosen to invest in the future on behalf of someone they wish to honor.

Members of the society generously pay it forward so new generations will have opportunities to succeed and benefit through the volunteer efforts of U.S. military veterans, from youth programs that instill responsible citizenship to free assistance on VA disability claims.
