

# Annual Squadron Data Report (SDR) Instructions

Throughout the year, it is necessary for National to contact squadrons regarding membership renewals, awards, and general communications. In addition, National receives daily requests for post and squadron information from members and potential new members or others who are looking for information about The American Legion at a local level. Maintaining your squadron's current information with National Headquarters has become more important than ever.

Completing an annual Squadron Data Report (SDR) is necessary to inform your Detachment & National Headquarters of pertinent information regarding your squadron and, most importantly, membership dues and renewal information. Complete an annual SDR even if your squadron information has not changed. Any information that has changed can be indicated by checking either the "CHANGE OR CORRECTION" boxes on the form below.

Squadron information will be maintained with National's records and published on the national website at <https://mylegion.org/PersonifyEbusiness/Find-a-Post> through the "Find a Post Directory". Members who are traveling, have moved, or simply want to transfer frequently refer to the Post Directory for assistance.

Remember to inform your department/detachment any time a change is made throughout the year so the information can be reported to national headquarters.
