Proposing an amendment to the Constitution of the United States relative to limiting the number of terms that a Member of Congress may serve in both the House of Representatives and the Senate

IN THE SENATE OF THE AMERICAN LEGION BOYS NATION

Mr. Parsons of Tennessee submitted the following resolution;

RESOLUTION

Proposing an amendment to the Constitution of the United States relative to limiting the number of terms that a Member of Congress may serve in both the House of Representatives and the Senate

The following article is proposed as an amendment to the Constitution of the United States, which shall be valid to all intents and purposes of the Constitution when ratified by the legislatures of three-fourths of the several States:

Article

Section 1. No person shall be elected to the office of Senator more than twice. Any person elected or appointed to fill a vacancy in the Senate may not be elected more than once if the said person served in the vacancy for three years or longer.

Section 2. No person shall be elected to the office of Representative more than three times. Any person elected to fill a vacancy in the House of Representatives may not be elected more than twice if said person served in the vacancy for one year or longer.

Section 3. No term beginning before the date of the ratification of this article shall be taken into

account in determining the eligibility for election or appointment under this article.

Section 4. If a member of one House reaches the term limit for the House in which they are serving, they shall be eligible to run for office and serve in the other House.
