SB-37

The Health Education Act will be used in order to fund schools' health programs in such ways they deem necessary. This will be done in an effort to try and educate more students on dangers that face our country such as the spread of STDs and opioid use.

IN THE SENATE OF THE AMERICAN LEGION BOYS NATION

Mr. NEVARD of Massachusetts introduced the following bill;

A BILL

The Health Education Act will be used in order to fund schools' health programs in such ways they deem necessary. This will be done in an effort to try and educate more students on dangers that face our country such as the spread of STDs and opioid use.

Be it enacted by The American Legion Boys Nation Senate assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Health Education Act".

SECTION 2. DISTRIBUTION OF PROPER APPROPRIATIONS FOR SCHOOLS

(1)Proper appropriations will be requested in a grant from the Department of Education;

(A) The requested appropriation will be a total of $600 million;

(B) The appropriations will be requested to be taken out of the budget of the Office of Elementary

and Secondary Education, as well as the Office of Postsecondary Education;

(2)The appropriations will then be distributed to State Education Agencies (SEA's), from there the SEA's will distribute the appropriations to Local Education Agencies (LEA's) for proper distribution to schools;

(A) The appropriations will be distributed from date of enactment until the year 2024

(3) Biannually LEA's will make reports on the uses of the appropriations which will then be submitted to SEA's and then the Department of Education for review;
