A Resolution on preventing the Military Alliance between Russia and China.

IN THE SENATE OF THE AMERICAN LEGION BOYS NATION

Mr. Jenkins of South Dakota submitted the following resolution;

RESOLUTION

A Resolution on preventing the Military Alliance between Russia and China.

The US government would like to try and stop the Military Alliance between Russia and China. The US government would try and make a deal to end the Ukraine war on peaceful terms. Whereas Ukraine would like to use force. This deal could allow the war to end and try and stop this military alliance between Russia and China. Therefore it would not be better for Ukraine, but it will be better in the years to come.

The alliance between Russia and China could allow for an invasion of Taiwan. Whereas the US could stop this from happening by making this deal with Russia. In this deal the Ukraine war will end on peaceful terms and Ukraine won't be allowed to join NATO. Russia will also be forced to cut military ties with China. Therefore China will be deterred from invading Taiwan and making future threats against countries in Southeast Asia.
