

## **Washington Conference is February 24 – March 1.**

Fellow Sons of The American Legion we need to make sure we inform everyone of our members of the importance to either attend Washington Conference in person, or contact Congress and make The 2018 American Legion Legislative Agenda known to our National Legislators.

This year we have added a 2nd bus for your expanding to 112 members who will be able to accompany our National Commander Danny Smith to presenting a wreath at Arlington National Cemetery, and presenting your own wreath at The Korean War Memorial and the World War II Memorial on SUNDAY FEBRUARY 25th 2018. Here is the information to attend The 2018 Washington Conference. Any further question the contact information is on the bottom of the wreath request. See you in D.C.
